**Orange Shirt Day**

**Every Child Matters**

**Wear orange in support of Every Child Matters. All children deserve an opportunity to have security, education and good health. Orange Shirt Day is an important day when WSD Schools, educators, students and school communities honour the residential school survivors and remember those that didn't make it home. Orange Shirt Day is an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.**

**The Province of Manitoba will recognize Indigenous culture and remember residential school survivors as part of Orange Shirt Day on September 30th. Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of Phyllis' story of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually. The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year. It also gives teachers time to plan events that will include children, as we want to ensure that we are passing the story and learning on to the next generations.**

# STUDENT SUPPORT PROCESS

Restorative practices can help strengthen relationships among students, families, and staff when concerns arise at school.

Let's work together to resolve matters and make sure everyone has a safe learning environment.

1

Speak with your child about the situation to gain their perspective.

2

Contact the classroom teacher. Teachers are directly involved with students and offer the best insight.

3

If concerns are not addressed, reach out to the school principal for support.

4

For ongoing issues, call the Superintendent's Department at 204-775-0231. Indicate the school you are calling about. WSD leadership will respond.

5

If challenges persist, contact the Board and Community Liaison Officer at 204-789-0469. They work with families and the Board of Trustees to reach a solution.

# Security Cameras in Schools

Keeping our students, staff, parents and visitors safe in Winnipeg School Division schools is a top priority. One way we do this is by monitoring areas in schools (eg. entrances, hallways and school buses) using security cameras.

Security cameras are used to monitor WSD property to assist in detecting and deterring unacceptable behavior or activities, and to assist investigations when required. WSD has put in place a detailed policy about the collection, use, protection, retention and/or disclosure of information captured on security cameras with the provisions of the Freedom of Information and Protection of Personal Privacy Act (FIPPA), the Personal Health Information Act (PHIA), the Youth Criminal Justice Act, as well as WSD Policy EGC – Records Management and Retention.

We encourage you to read the full EH-Security Cameras in Schools Policy on [winnipegsd.ca](http://winnipegsd.ca) under Governance/WSD Policies.
