

Classroom Expectations

All students have agreed to our classroom treaty and are expected to follow it. If a student does not follow the treaty, there will be fair consequences appropriate to the situation.

There will also be a **zero tolerance** policy in our classroom for violence or bullying against other students.

Attendance

Regular attendance is very important for your child's success at school. Please make sure your child comes to school every day and arrives on time. If your child will be absent for any reason, we kindly ask that you notify the school as soon as possible.

Questions/Concerns

I'm always happy to answer any questions or discuss your child's progress throughout the year—please don't hesitate to email me. We also love having parents join us as volunteers for field trips and special events. If you'd like to get involved, I'd be thrilled to hear from you!
