

Homework

It is beneficial for students to read at home

daily. Any unfinished work may be sent home for completion. In the event of special projects, it is expected some work will be completed at home.

Assessment

Assessment in Room 214 will be on-going. I will program for each child based on reading and math assessments, daily observations, student conferencing, reading comprehension programs, projects, self-assessment and tests or quizzes.

Belief Statement

I believe that all children have the right to learn in a safe, caring, challenging and comfortable environment. In this environment, interests are recognized and minds are challenged and stimulated. With guidance and support, students will have the opportunity to work towards their full potential in an environment that embraces diversity, respect, participation and cooperation amongst its learners.

All About Me

My name is Carla Simons and this is my 19th year at Prairie Rose

School. I love this school and it is like my second home! My husband and I have two beautiful daughters, ages 9 and 6. We love to travel, go camping, have movie nights and board game nights, go for walks or bike rides and cook together. We are big fans of the Winnipeg Jets! Lots of our family lives in B.C., so we often find ourselves out West. An interesting fact about me is that my husband and I spent a year in Australia where I taught in a small town. It was a wonderful experience and we really hope to get back one day.

I am looking forward to a school year filled with fun and lots of great learning! I am excited to be

Seesaw and Teacher Contact

We will be using **SeeSaw** for school messaging and updates. Please ensure you are connected to your child's account and are receiving messages from me. If you have any questions, comments or concerns, the best way to contact me is through **Seesaw** or **email**.

You may also reach me by calling the school (8:30-8:45am, 12:05-12:45pm or 3:30-4:00pm).

Email: csimons@wsd1.org

Any questions?

2024-2025
