

## What do you need to get started?

Child Care Assistant Pre-Industry Training adult students require the following:

- Clear Criminal Record check
- Clear Child Abuse Registry check
- Be a resident of the Winnipeg School Division

The Child Care Assistant certificate received by graduates is recognized by the Manitoba Early Learning Child Care Program (MELCCP) as equivalent to the 40-hour course required by all CCA's.

# CHILD CARE ASSISTANT

*Adult Pre-Industry  
Training Program (P.I.T)*

## Pre-Industry Training Adult CCA Program

The Pre-Industry Training Program curriculum has been developed to prepare students to work in the Early Child Care profession. Upon successful completion of the program, the student will demonstrate employability skills to obtain an entry level position in Early Child Care or in a related profession.

## Course Outline

Students will study the following areas:

- History and theory of child care
- Types of child care programs in Manitoba
- Development of children from birth to 12 years of age
- Preparing a safe and healthy environment
- Developing guidance skills
- Establishing class limits and routines
- Developing hands on learning experiences for children
- Careers in early childhood education

## Career Opportunities

Child Care Assistant in a licensed center

Nursery programs

Family or Home Centers

Head Start Programs

Community or recreation support staff

Educational Assistant

Students will also have the opportunity to train in the following areas:

- First Aid and CPR
- Food Handlers
- WHIMIS
- Portfolio building
- Interviews
