

WSD ELECTRICAL TRADES TECHNOLOGY

High School Pre-Apprenticeship Program

Spend an entire semester in Grade 11 and Grade 12 becoming career-ready for the electrical trades!

Earn eight full high school credits

Classes begin in February – the 2nd semester of Grade 11 and finish at the end of the 1st semester of Grade 12.

Eight courses are covered and students must achieve an overall grade of 70% in each course and also on the final exam to be accredited.

Accreditation exempts you from level 1 schooling toward becoming an electrician.
