## MESSAGE from ADMINISTRATION Mr. MacVicar & Mrs. Sim

What an eventful month here at Ralph Brown during the month of May. Mr. Karpenko and Mr. Thompson along with support of other teachers kept our students engaged in physical activity through Running Club, Soccer, Badminton, and Ultimate Football. It is so good to see our dedicated students out running in the mornings and the weather has been great. A special shout out to all the teachers that and staff that give their time to provide the students with these wonderful opportunities.

Another acknowledgement goes to Ms. Fast and the students of P3. They have been participating in a yearlong learning series in the Goodman Program through the Assiniboine Zoo and Leaf. The students engaged in transformational environmental education through inquiry and-based learning. Our students had to present their learning to an audience and share the details of the garden project they are planning. They will create a garden at the front of the school that will be filled with pollinating plants. We look forward to seeing their finished project.

Finally, another special shout out to our Ralph Brown Parent Advisory Council. We have a small but determined executive group that meet 5 times a year with parents, grandparents and other guardians to discuss school issues and plan small fundraisers to support our initiatives. PAC has generously sponsored the Subway lunch that was provided to students this week.

May 15<sup>th</sup> was Vyshyvanka Day, a day to celebrate and preserve the Ukrainian folk traditions of creating and wearing embroidered shirts.

Finally, our staff gathered earlier this month to reflect on the school year and plan for next year. It was a great day to hear about and celebrate all the wonderful learning that has been happening this year. We will continue with our planning of school goals, classroom placements of students, yearly calendar, etc. We will share this with you when completed.

## PRACTICE SCHEDULES:

- Run Club 8:15 - 8:45 am Tuesday 3<sup>rd</sup>
