MESSAGE from ADMINISTRATION Mr. MacVicar & Mrs. Sim

The month of February saw us celebrate "I Love to Read" with a host of different activities, guest readers, competitions and snacks that went with the daily theme. Thank you to the "I Love to Read Committee" for organizing these memorable events for our students; and to the staff who "volunteered" to get pied!

As we enter March, student assessment and reporting is underway. Report cards will be shared with families on Monday, March 10. We look forward to sharing your child's accomplishments at the family conferences taking place in the evening of Thursday, March 13 and in the morning of Friday, March 14. We are so proud of the learning happening in our building and we want to celebrate that with you.

Shout out to *Liam Marqueses* (Room 107) who placed 3rd in the District Level Peace Poster Competition put on by Lion's Club International.

Our primary students welcomed Rusty, a long-eared female owl and biologist Jim Duncan. He shared lots of information about owls and had some owl wings and body parts for us to explore. He let Rusty fly around the room so students could see how owls fly.
