MESSAGE from ADMINISTRATION Mr. MacVicar & Mrs. Sim

What an exciting and busy month April has been! Our students and staff have been keeping active with so many wonderful events and opportunities. Throughout April, our students showed incredible team spirit and determination, participating in a variety of sports teams, tournaments, and after-school clubs. It has been fantastic to see students learning new skills, building friendships, and pushing themselves to do their best. A big shout-out to all the participants – your hard work and enthusiasm are inspiring! In celebration of Earth Day, our students took action to make a difference by committing to clean up the school field and surrounding neighborhood. This is a beautiful example of how much they care for their community and Mother Earth. With the warmer weather almost here, there are many field trips planned for classes. Please ensure your child comes prepared for the trips, as they look forward to exploring and learning outside the classroom.

Our Ukrainian Bilingual program held our annual Easter Breakfast, which has been a cherished tradition at our school for over 45 years. The students' talents in song and dance were truly heartwarming. As we move into May, Mr. Karpenko has organized morning Run Club. It's a wonderful way for students to stay active and start their day with energy and enthusiasm. Please see the calendar for specific dates. I would also like to take a moment to extend a heartfelt thank you to all of our volunteers. Your time, effort, and support make a significant difference in our school community, and we are so grateful for everything you do.

As we look ahead to the remainder of the year, we continue to focus on doing what's best for our students. Our staff will be meeting to start planning for the next school year, ensuring that every moment is filled with intentional meaningful learning experiences for all. We truly appreciate your trust in us to guide and support your children. Thank you for being part of our amazing Ralph Brown School community!
