

École Sacré-Coeur
Grade 8 School Supply List
2023 - 2024
Room 205

For the 2023-2024 school year students will be bringing their own school supplies. Students will be expected to have the necessary supplies at school at all times, as there will be no sharing of supplies. This year we are fortunate to use locker storage space where students will be able to store their excess supplies. **ALL supplies must be clearly labeled with your child's name**, this means all pencils, pencil crayons, etc. Please ensure this occurs at home before the first day of school.
