MARCH 2024 NEWS

Administrator's Message

Spring is on its way! And the weather is showing it as we move into March. There has been so much meaningful learning happening within the school, as well as numerous clubs and teams that have been running for our children. **Consistent attendance is a key part of your child's success. Please contact the school if you need any support regarding attendance, and we will do all we can to support your family!**

We have *Pow Wow Club* continuing every Monday from 4:30—6:00 PM, and our *Junior High Boys Basketball Team* has games continuing into March! All are welcome to attend. Lunches and after school times have been very busy and are often filled with laughter and excitement. We are still offering **free lunch program** for all students. Come to the office and sign your students up any time!

Parents and guardians are reminded that report cards go home on Monday, **March 11th**. Parent Teacher Conferences will be held on **Thursday, March 14th** in the evening, and **Friday, March 15th** during the day. These meetings are an excellent opportunity for you to see what your child has been learning and to connect with their teacher. A note will be going home soon where parents can request the time that works best for them to come in to the school and meet. Please fill this out and send it back with your child to the school. Only one form per family is needed. Also, a reminder that the 22nd is the **last day of school** before Spring Break! This is also the day of our *Shaughnessy Park Pop Up Performance*! All families are welcome to attend. Hard to imagine as we look outside and still see so much snow, but warmer days are in our future! Stay safe!

SPRING BREAK				

February was a busy month for the Parent Room. We have our **Learn to Bead** every Wednesday morning starting at 10:00-12:00 in the morning. We had community members make a **Star Blanket** that was amazing from start to finish.

Our **Nutrition Bingo** was a success and fun was had by all. Everyone is welcome to attend the programs and activities in the Parent Room. Please watch for up-and-coming events and sign up in the Parent Room.

The collage features the following elements:

- PARENT ROOM** (Large black cursive text at the top)
- Activities - Programs** (Red cursive text below the title)
- LEARN to BEAD** (Yellow starburst label)
- NUTRITION BINGO** (Blue and yellow text label)
- Two photos showing people sitting at round tables during a meal.
- STAR BLANKET** (Yellow starburst label)
- Two photos showing people working on a large quilted star blanket.
- A large photo of the finished **Star Blanket**, which is a white fabric with a large, multi-pointed star in the center, featuring blue and red patterns.
