

ECOLE SECONDAIRE SISLER HIGH SCHOOL SAFE GRAD RULES

GRAD DAY & NIGHT

TRANSPORTATION REGULATIONS

1. Upon arrival at the venue, students, sponsored guests and invited guests must show their tickets to the **supervising parent(s) or security** in order to go up the escalator.
2. The Sisler Safe Grad Committee will supervise the release of students and sponsored guests from the dinner and dance activity.
3. **The committee has the right to refuse the release of any student to someone other than a parent/guardian. Brothers, sisters or other relatives may not pickup students attending this function; unless parents have signed the form indicating so. That person must be at least 25 years old; I.D must be presented.**
4. **Taxicabs and limousines are acceptable forms of transportation to Safe Grad; they CANNOT be used to transport students home. Parents are cautioned that it is not a good idea to sign your child out and then put that child into one of these modes of transportation or check them into a hotel. The liability is now yours and you will have to end up living with the outcome of such action.**
5. The committee will not release any student to a driver who, in the opinion of the committee, cannot provide safe transportation home or who is not the designated person on the signed forms.
6. When picking your child up, parents/guardians must present and identify themselves to the transportation/security committee before any graduate or guest is allowed to leave with that person.
7. The parent/guardian's signature and time of departure must be recorded before the student is released.
8. People sponsored into Sisler Safe Grad as guests of a Sisler graduate are the responsibility of the Graduate and the Graduate's parents. A parent of the Graduate or the sponsored guest parent or guardian must drive the guest home.
9. **We ask that parents who are driving or supervising refrain from drinking alcoholic beverages on the night of the dinner and dance.**
10. Please do not allow your child to drive home after they have been released to you.
11. **The Sisler Safe Grad Transportation committee is not responsible for any student or guest once their parent/guardian/designate has picked up the student or sponsored guest.**
