

# **WESTON SCHOOL**

## **June 2025**

**Hello, Tansi, Boozhoo, Bonjour, Xin Chao, Hola, Ninhao Weston families!**

**I can hardly believe how quickly this year has flown by—time really does fly when you're having fun! As we enter June and approach the end of another school year, I want to take a moment to reflect on all that we've accomplished together. I am incredibly proud of the dedication and growth shown by both our students and staff.**

**Throughout the year, our students have taken on the roles of Mathematicians, Authors, Scientists, and Historians, just to name a few. During free time, many could be found creating their own math problems, challenging classmates, playing math fact speed games, and writing word problems on whiteboard tables! In literacy, students became illustrators—drawing detailed pictures to accompany their stories—and authors, crafting and sharing imaginative narratives with one another. Others transformed into inventors and critical thinkers, building structures, creating artifacts, and dreaming up innovative new creations.**

**As part of our ongoing work around well-being and voice, students wrote opinion pieces on the importance of feeling safe and identified their own personal safe spaces in school and in the wider community. They reflected thoughtfully on what safety means to them and shared strategies they use to feel secure and supported.**

**May was a month full of joyful experiences and deep learning. Students visited the Aviation Museum to explore the science of flight and traveled to Oak Hammock Marsh to discover more about beavers, muskrats, reptiles, and amphibians. Our Nursery/Kindergarten learners experienced the magic of discovery during their trip to the Children's Museum—a day filled with hands-on exploration and wonder. These memories will stay with our students for years to come. Looking ahead, June promises to be just as exciting. We have upcoming LEGO challenges, zoo trips, passion projects, Spirit Week, and much more. Mark your calendars for these special events:**

- Nursery/Kindergarten "Moving Up" Ceremony – Tuesday, June 18 at 9:30 a.m.**
- Grade 6 Awards Ceremony – Tuesday, June 24 at 10:00 a.m. (invitations coming soon!)**
- Weston Talent Show – Wednesday, June 25 at 1:30 p.m.**

**Come celebrate all the amazing talents and accomplishments of our Weston students!**

**If we don't have the chance to see you before the break, we wish you a safe, joyful, and adventure-filled summer. We look forward to welcoming everyone back in the fall! Please join us on Tuesday, September 2 from 2:30–5:00 p.m. for our Student–Teacher Meet and Greet. Our first official day of school will be Wednesday, September 3.**

**With gratitude and excitement,  
Lisa Richardson  
Principal – Weston School**

# Weston Parent Centre June Events

## June Family Room News

I just want to take this time to wish everyone a great summer, it has been great getting to know all the families this school year and I look forward to all the programming and events in the fall. I hope everyone takes the time to spend time with loved ones and enjoy the beautiful weather.

Monday June 2<sup>nd</sup> we will be finishing all started projects such as beading and Ribbon skirts starting at 9:30

Wednesday June 4<sup>th</sup>, I want to invite parents to the family room for a pancake breakfast at 10:00 am

The Family Room will be closed from June 6<sup>th</sup> till September 2<sup>nd</sup> as I will be away on medical leave.

Thank you,

Ms. Mandi 😊

# WASAC @ WESTON SUMMER FUN

## AGES 7-12 / Grade 2-6

Join our **Free Summer Kids Camp** to participate with other children in fun games, arts and crafts, and more!

## FREE:

- ✓ LUNCH & SNACKS
- ✓ FUN ACTIVITIES
- ✓ CRAFTS

# FOOD ALLERGIES

REMINDER: IMPORTANT LUNCH GUIDELINES FOR OUR CLASSROOM

TO KEEP ALL OF OUR STUDENTS SAFE AND HEALTHY, PLEASE FOLLOW THESE IMPORTANT GUIDELINES WHEN PACKING YOUR CHILD'S LUNCH:

- NO EGGS**
- NO FISH**
- NO NUTS (THIS INCLUDES PEANUTS, TREE NUTS, NUT BUTTERS, AND FOODS CONTAINING NUTS)**
- NO JUNK FOOD (CHIPS, POP, CHOCOLATE BARS AND ESPECIALLY NO ENERGY DRINK. IT IS IMPORTANT WE ABIDE BY THE HEALTHY GUIDELINES.**

**THESE FOODS WILL BE CONFISCATED AND RETURNED AT THE END OF THE DAY.**

- NO HEAT-UPS (WE CANNOT WARM UP FOOD IN THE MICROWAVE)**

PLEASE PACK LUNCHES THAT ARE SAFE, READY TO EAT, AND DO NOT REQUIRE HEATING.

WE APPRECIATE YOUR HELP IN CREATING A SAFE AND INCLUSIVE ENVIRONMENT FOR EVERYONE!

IF YOU REQUIRE SUPPORT WITH PROVIDING A NUTRITIONAL LUNCH, PLEASE LET THE OFFICE KNOW AND WE WILL ENSURE THAT A LUNCH IS PROVIDED.

THANK YOU FOR YOUR COOPERATION AND UNDERSTANDING!

## June in Room 2

**Hello, summer! Hello, fun, fun, fun!**

School is almost over. We can already hear students saying, **"I will miss this class!"** and **"I will miss you, Mrs. Mallari/Mrs. Pangilinan"** Yes, we will miss each and everyone.

It is worth noting down how these young boys and girls turned into learning individuals, readers and Mathematicians. How good it feels to see them writing their names, making words, and labeling their drawings. They are amazing when you hear them say their ABCs, count 1 through 30 and count backwards from 10, tell stories about their Art work, building blocks and Legos. How wonderful it feels when you see them becoming more responsible in doing their jobs including cleaning-up after Center time. The friendship that they were able to develop, their taking turns, sharing with toys are manifested in their day-to-day activities. How they sustained their stamina, from 1 minute to 3 minutes uninterrupted reading when they picture read is really incredible. I love the way they talk about their favorite page in the book. **Way to go, Room 2!**

As you prepare for your summer break, don't forget to include in your to-do-list your reading and writing. Practice your letters and keep on counting. Try to have as many new experiences as you can, day trip, visit museums, and spend time at the park, camping and more. Have a quality family bonding, too. **Have a great summer everyone!**

**Mrs. Mallari**  
**Mrs. Pangilinan**

## News from Room 5

**Dear Students and Families,**

As this school year comes to a close, it also marks the end of a very special chapter in my life—my retirement from teaching. Saying goodbye is never easy, especially when it means parting with such a wonderful community of students and families who have filled my days with purpose, joy, and inspiration.

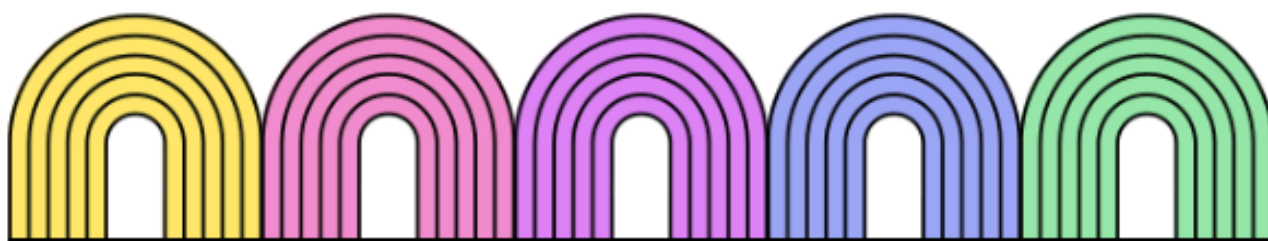

To my students—thank you for the laughter, the challenges, and the countless moments of wonder. Watching you grow, discover, and succeed has been one of the greatest privileges of my life. I will always carry with me the memories of your bright spirits and the lessons you have taught me along the way.

To the families—thank you for your trust, support, and partnership over the years. It has been an honor to work alongside you in nurturing your children's growth, and I'm deeply grateful for the many ways you've helped make our classroom a caring and successful space.

Though I may be retiring from the classroom, the connections, memories, and experiences will remain close to my heart. I look forward to what comes next, but I will always cherish the years I've spent as a teacher and the incredible people

≡ Cheers to ≡  
RETIREWMENT!

# ROOM 6

## NEWSLETTER

How can it possibly be June? Summer holidays are just around the corner. We are looking forward to our field trip on June 19 to the zoo. Hope the weather is good! Speaking of weather, please make sure you dress for the weather. It can still be cool for morning recess but by the afternoon it can get hot in the classroom. Please make sure your child has a water bottle at school to drink from during the day. We have water stations to refill the bottles when empty.

There will be a school talent show on one of the last days of school. If your child would like to be a part of it please remind them to let me know. Maybe they would like to sing a song, do a dance or read a poem.

Thank you to all the families for your support this year in Room 6. I enjoyed having your children in my classroom and they will hold a special place in my heart. I hope that they've enjoyed their time in Room 6 as well.

A great day at Oak Hammock Marsh!

During the summer make sure that you keep being word and number detectives. You may want to keep a journal about things that you do in the summer. Please be safe and always make sure your families know where you are.

# Room 7

June 2025

Remember to Read at Home Every Day!  
This will help us to become good reader!

## Math Corner

What is  $20 + 20 + \_\_\_ = 63$ ?

## Water Bottles

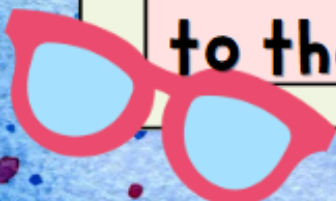

Please send a  
water bottle to  
school for your  
child to use in the  
classroom!

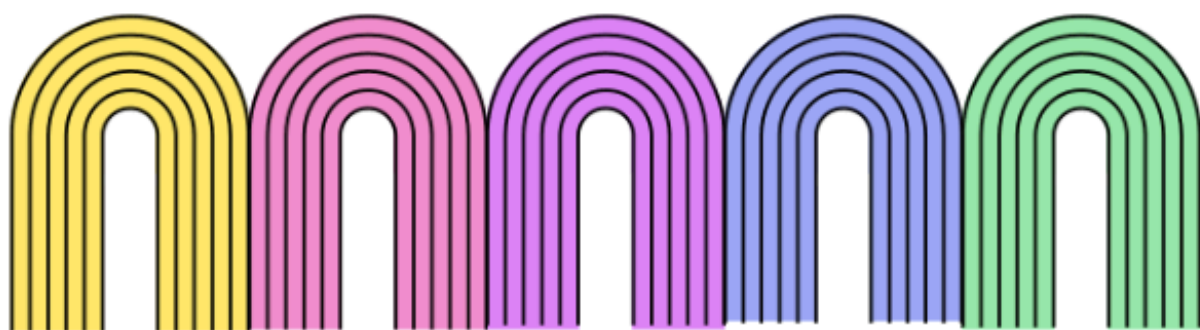

## What to Bring on Field Trips:

1. Water Bottle
2. Lunch that does  
not need heating
3. Hat
4. Sunscreen
5. Backpack
6. Weston Tshirt

Please remember to dress  
for the weather  
EVERYDAY!

**Field Trip: Our class will be going  
to the zoo on June 19.**

# NEWSLETTER

## EXCITING EVENTS!

The Grade Four students have started their swimming program. It's great to know that they will have the skills to stay safe around water!

## MATH

Decimals and money. They go together so well! In room ten the students have begun to learn all about tenths and hundredths. Please ask them to show you what they have learned

## LITERACY

The students in room ten have been learning how to change the meaning of a root word by adding a prefix or a suffix. It has been great to see them using this skill in their writing.

## SOCIAL STUDIES

The students are starting to make great connections to the land. They are learning about the plants that are on the medicine wheel.

## SCIENCE

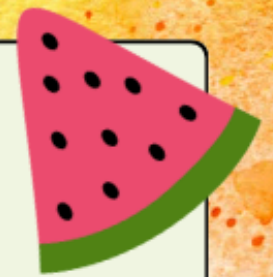

The students in room ten have been learning about gardening outside in our school gardens. They will also be learning how to make a garden in a bag

# Classroom Newsletter

Room 11 – Mrs. Anciro

## Fun Field Trips!

This month, our Room 11 class went to Oak Hammock Marsh and learned about different plants and animals in wetlands.

We also went to the Royal Aviation Museum and learned about the history of flight and aviation in Canada.

On June 19<sup>th</sup>, we have an upcoming field trip to Assiniboine Zoo.

# ROOM 12

*Mr. Jones*

## This Month in Room 12

Students in Room 12 learning to code with Tale-Bots!

### Reminders

- Please ensure students bring both indoor and outdoor shoes to school.
- If you haven't already, kindly provide the class with one tissue box.
- If you haven't yet, please submit the \$40 Student Supplies Fee.

### Things to look forward to!

- Going to the Zoo!
- Grade 6 Farewell

### ELA

In English Language Arts, we are continuing to refine our persuasive writing skills.

### Math

We will cover statistics and probability, while also progressing with problem-solving skills.

### Science

We are exploring how to code with Tale-Bots and on Scratch.

### Social Studies

We are learning about leadership and how to politely discuss and debate classroom issues.

# Room 14

June is quickly arriving, and Room 14 is buzzing with excitement as we look forward to celebrating our learning and closing out an incredible year together! Even in the final stretch, students are hard at work strengthening their math fact fluency and deepening their understanding of the relationship between multiplication and division. They've been learning new strategies, like the area model, to solve larger multiplication problems with confidence.

Our inquiry into the human body continues, with students contributing to a classroom knowledge wall to showcase what they've learned about the body and its many functions. Collaboration has been a key theme this month, as students share ideas, ask questions, and build understanding together.

One memorable moment was our "empathy walk," where students explored scenarios from different perspectives and shared personal stories to build compassion and understanding within our classroom community.

As we head into the final days, Room 14 is ready to celebrate all we've learned and the growth we've experienced this year!

In May, the weather was sometimes unpredictable. It was very hot in a few days and it was very cold the next few days in the same week. However, it did not stop students in room 15 having fun and exploring.

We went outside and tested the flying prototypes that we made. We also recognized the variables that might affect them. We fixed the prototypes, rebuilt them, and tested them again. We enjoyed this outdoor activity.

After students listened to the indigenous book called “Everyone needs a rock”, they chose a rock and painted it. They were very creative using their imagination to paint the pictures on the rocks.

From room 15

## Gym With Mr. Fontaine

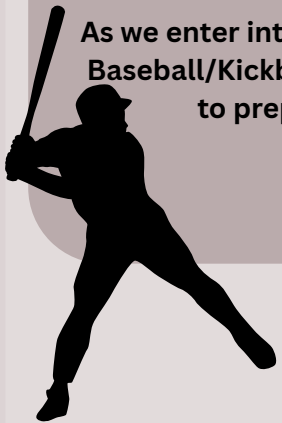

Greetings and welcome to all tuning into your Weston Phys Ed newsletter! Even though the school year is winding down, our Phys Ed program and sports are still in full gear!

In PE, we wrapped up our Games from Around the World unit, learning various games from places such as India, China, Pakistan, and the Philippines. We then focused on throwing and catching with Frisbees, and learnt the game of Ultimate Frisbee for the intermediate grades! Towards the end of the month we started Striking and Fielding Games such as Baseball, and this will carry over into June.

Our Cross Country team and Badminton Club took place this month, and our Weston Hawks have been hard at work! Badminton Club Wrapped up on the 22nd, and we went out with a in-school tournament! And our Cross Country team continues to train for their up coming race at the Old Exhibition Grounds on June 4th. We ALSO have our Ultimate Football Team beginning on May 29th, and our tournament will be on June 12th!

As we enter into our final weeks, we will continue focusing on Striking and Fielding games, wrapping up our Baseball/Kickball focus and moving towards the game of Cricket! We will also be learning some fun games to prepare us for our SUMMER FIELD DAY on June 13th in the afternoon from 2 - 3:30pm!!

Thank you for tuning in to your physical education newsletter!

## Music with Ms. Neufeld

For the month of June, we play. It's a time to take what we've learned all year and review through games and activities 'just for the fun of it'. Over the summer, take the opportunity to engage with your kids through the Arts. Sing songs together, dance to your favourite tunes, put on a play of your favourite book. Listen to a live band at some of the free concerts that happen throughout the city in the summer. Make some lasting memories through music!
