

Get to Know...

Mrs. Eppert!

Welcome

Hello! I am Danielle Eppert and I am a learning support teacher at Weston School. I have been here teaching since 2014 – and I love it here! I am so excited to learn through exploration – both inside and outside!

About Me

- I am married to my husband Richard and have two children: Alexis and James.
- I have 2 cats, Sakura and Jojo

My Interests and Passions

I love being out in nature! Some of my favourite things to do outside are paddle boarding, cross-country skiing, and hiking! While hiking, my family and I look for different plants and really cool mushrooms.

When I am inside, I love cooking, learning new ways to be creative with drawing, painting, and crafts. My family and I also LOVE to play board games together!
