

# MS. CHUBENKO

Hello! My name is Larissa Chubenko and I am excited to be joining Weston as a Learning Support Teacher (LST). I am looking forward to supporting Grades 2-6 classes, as well as working with and learning from the school community!

- Since 2019 I have taught Kindergarten, as well as Grades 1/2 at Shkola R. F Morrison School (Seven Oaks) and Grade 8 ELA and Social Studies in BC.
- I became a teacher because I've always enjoyed working with kids and love to learn. I'm even still in school myself, working on a big project called a PhD. I'm learning about how teachers can take care of themselves so they can give their best to their students.
- Some things that bring me joy are: being near the water, travelling, working on my research, listening to music and coffee!
- I am passionate about social justice education
- I hope that students feel welcomed, are excited to learn and know that we are here for them. I am looking forward to a great school year and getting to meet everyone!
