MR. WATERMAN

Grades 3 & 4!

## About Me

Welcome to room 10! My name is Mr. Waterman and I am very excited to be teaching Grades 3 & 4 this year. In our room, we will learn through many different avenues including hands-on experiences, inquiry, and my personal favourite, students will help shape this class with their own choice and voice. I am to create a welcoming space where every student feels included, challenged, and supported. I'm looking forward to a great year of learning, growth, and of course fun!

## Fun Facts
