

# Welcome back to school !

Hello! My name is Ms. Vo, and I'll be your classroom teacher this school year in Room 15. I hope you and your family had a wonderful summer. I'm very excited to have you in my class and look forward to a great year together. A little about me—I'm married and a proud mom of two sons, ages 17 and 8. In my free time, I enjoy traveling, listening to music, and cooking for my family.

## Things that we will do this year:

In our classroom, we will engage in Thinking Classrooms, Knowledge Building Circles, inquiry-based learning, and research-driven projects to help you challenge yourselves and develop essential skills such as communication, collaboration, critical thinking, creativity, citizenship, and self-awareness. You will also find joy in exploring a variety of STEAM activities and play-based projects that make learning both meaningful and fun.

I'm looking forward to a fantastic school year filled with meaningful teaching and learning experiences together. If you have any questions or need more information, please feel free to contact me by email at [thvo@wsd1.org](mailto:thvo@wsd1.org) or by phone at the school office at 204-775-2591.

In partnership,  
Ms. Vo

You will learn about Indigenous Peoples, the land, and treaties through meaningful experiences such as outdoor classrooms, learning about traditional medicines, smudging ceremonies, novel studies, storytelling, and inquiry-based projects.

Get ready to step beyond the classroom and school grounds to explore new ideas and gain real-life experiences through exciting field trips and outdoor classroom learning throughout the school year.
