

# Meet The Teacher

## ABOUT ME:

Hi! My name is Lauren Bogan and I am a learning support teacher at Weston School! I am so excited to be part of this school and this community. I know the 2024-2025 school year is going to be amazing and full of learning! I have one daughter named Isla who is 10 years old and a husband (Steve) who is also a teacher. I love travelling to Florida any chance that I can because that's where my mom and dad live.

I am constantly learning new things and I am committed to the best and most inclusive educational practices.

## EDUCATION:

I have been an educator since 2004 and I have a wide range of experience. I have taught in elementary schools and worked in a variety of schools over the past number of years. I have enjoyed meeting so many students, families and educators.

**My Role:** My work at Weston School will focus around self-regulation learning and helping students work through big feelings and big emotions. By helping students understand their "social emotional brain", we can learn what strategies work best and which ones aren't very effective. Additionally, I will also focus on Mathematics and Inquiry support with a few different classrooms.

## MY FAVES:

Colour: Any colour that is pastel  
Snack: Potato chips  
Food: Pasta  
Book: The Paperbag Princess  
Holiday: Christmas  
Season: Fall  
Sport: Football (I am a Chicago Bears Fan!!!  
GO BEARS)
