

September 3, 2024

Hello Dear Parents/Guardians,

My name is Mrs. Gina Mallari and I am your children's teacher in Nursery/Kindergarten, Room 2, morning class, for this school year 2024-2025. I am so honoured to be a part of your children's early years education. Thank you for entrusting them to me. I will make sure that I will do my best to provide them the skills, values and learning experiences that they will need to become successful learners. I will be focusing in developing their social skills, making them Mathematical thinkers, and help them to become good readers and writers. But of course, I will be needing your support and cooperation by bringing your children to school everyday. If you have any questions or concerns, please feel free to contact me at 204-775-2591 or email me at gmallari@wsd1.org to arrange suitable meeting time.

Success in learning could be achieved more if there is a good partnership between the home and school. Let us work as TEAM for our children's education. Together, Everyone Achieves More!

Our goal in Room 2: "GOOD, BETTER, BEST, don't let it rest, until GOOD becomes BETTER and BETTER becomes BEST."

**Gina Mallari
N/K Teacher**
