

Meet Your Teacher

**Welcome
Grades 1
and 2!**

Mrs. Anciro

Hello families! I am Mrs. Anciro and I will be your teacher in Room 5 this year! This will be my 18th year teaching and I can't imagine doing anything else! You may have seen me with the big kids last year, as I was teaching Grades 3 and 4 here at Weston School. This year, I am very excited to learn with you all in Grades 1 and 2. I am so happy to have you as a part of our class. We will for sure learn lots and have so much fun! I hope you had a fun summer and I can't wait to see you in class!

ABOUT ME!

During my free time, I love to read and go on trail walks and hikes with my family. I have two sons, Joaquin and Sebastian, ages 7 and 3. We love sports, food, camping & gardening. We love spending time together!

Feel free to

connect to me:
