Principal's message...

Happy September and welcome back!

We look forward to an exciting year of learning together.

School entry will start at 8:55 am (except patrols).

Parent/Guardian/Guest School Entry:

All Winnipeg School Division Schools have, or will have, a locked door system. Wolseley School's system is ready to use. **To enter you must enter the office doors and proceed through the first set of doors. Then you will look to the left and see a key pad. Press the "bell" icon and the key pad will ring Audrey in the office. Audrey will then buzz you in. All guests are required to report to the office first.**

All staff will have a card that will allow them entry, so students who need the washroom at recess are able to get in easily.

Meet the Staff will be in-person this year. The Meet the Staff event will be on Thursday, September 14, 2023 from 5:00-6:30 pm. This is an opportunity to stop by the school, meet the staff, and see the classrooms. It will be informal and on a drop by basis. We look forward to seeing you.

Our students' well being is our main focus.

We want all students to feel safe and cared for. Teachers will be trained in a mental health program called Sources of Strength. All classrooms are encouraged to practice calming activities/mindfulness. Teachers will continue to use WSD assessments to gauge where our students are academically. They will then plan to meet the needs identified. We will identify strengths, challenges, and next steps in learning.

Outdoor classrooms/outdoor time is encouraged daily for every classroom. Please make sure students are dressed for the weather. Please send water bottles. We have water bottle filling stations in the school.

Our **patrols** continue to keep everyone safe. Please use the safety patrols to cross the streets before school, after school, and at lunch times. Note that patrols will cross students for both lunch times as they are now staggered.

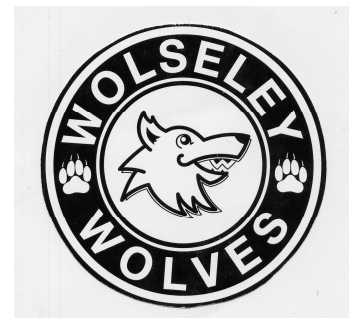

Finally, we will continue to follow our **Wolseley School beliefs:**

Be Respectful, Be Responsible, and Be Kind.

If we follow these values we will be able to tackle any problem together.

Take care and stay well,

Brian Rogowsky
Principal

Parent Council Lunch Program

LIFE THREATENING ALLERGIES

We ask that students **do not** bring food or snacks containing **nuts, peanuts, fish or seafood** to school .

These types of foods are a risk for some of our students and staff who have anaphylaxis, which is a severe allergic reaction to certain foods.

Wolseley School is a **scent free** school; please remember do not wear perfume or strong smelling scents in the school.

Thank you for keeping our students and staff safe!
