MESSAGE from ADMINISTRATION Mr. MacVicar & Mrs. Sim

As we welcome the arrival of spring, we are beginning to see the many changes that come with the season - warmer temperatures, melting snow, and more opportunities for outdoor learning and play. It's always an exciting time in our school community as students and staff embrace these shifts with renewed energy.

I would like to extend a heartfelt congratulations to our school choir and Ms Kharchenko for their outstanding achievement at the Manitoba Festival, where they were awarded a gold standing. Way to go! The adjudicator spoke very highly of their performance, noting both their musical talent and the confidence they brought to the stage. We are incredibly proud of their hard work and dedication.

It is hard to believe that there are just 58 days of school remaining in the year. The months ahead will be busy and full of meaningful learning experiences, special events, and opportunities for students to continue growing both academically and exhibit our ROCKET values. We all practice and reinforce these characteristics of being a good person throughout the school day.

Thank you to all of our families for your generous support of the Kovbasa Fundraiser. Together, we raised over \$1,500, which will go directly toward enhancing outdoor learning experiences for our students. Your ongoing support truly makes a difference in enriching opportunities for all learners.

Please keep an eye out for information about our next fundraiser - Kernels Popcorn - which will be coming soon!

Thank you, as always, for continued partnership and support.

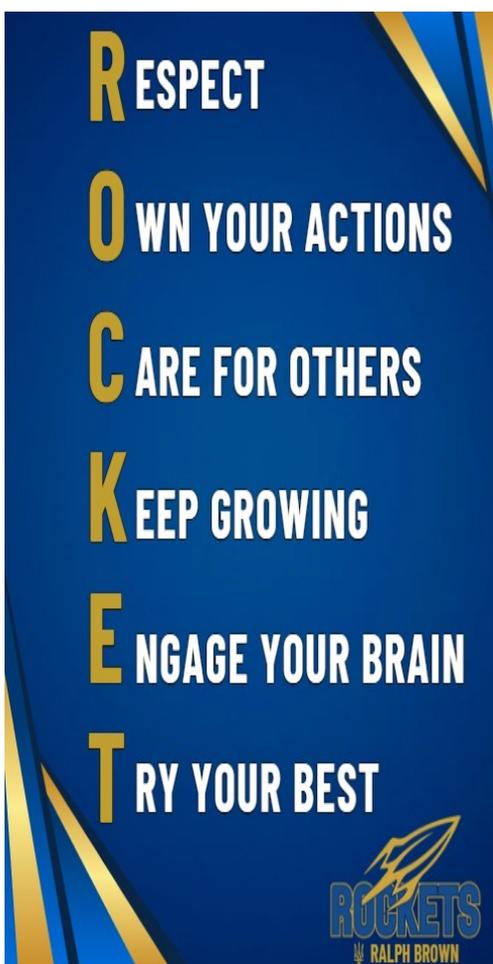

Even staff enjoyed Spirit Week festivities.

Congrats to our choir for "bringing home the gold".

P2 baked fresh Paska for their families & for sharing.

REMEMBER THE ROCKET VALUES: Respect, Own your actions; Care for others, Keep growing; Engage your brain; Try your best

APRIL 2026 CALENDAR OF EVENTS
