

APRIL NEWS

GREENWAY SCHOOL 2026

HELLO SPRING, PUDDLES AND RUBBER DUCKY CLUB

As we welcome the changing of seasons and look forward to the work in our school gardens and the return of our bees, this also means puddles in the schoolyard!

As part of our focus on risky play and learning to make thoughtful choices, students may encounter muddy spots and puddles during outdoor play. We ask families to help children come prepared by dressing for the weather and keeping a change of clothes in their backpacks. Please take some time to talk with your child about your family's preferences, whether you are comfortable with them exploring puddles or would prefer they stay dry. These conversations support children in making safe, respectful choices while enjoying the wonders of spring. Just a reminder, those students signed up for Rubber Ducky Club will go outside on days it's not raining too hard!

ADVENTURES AT OMAN'S CREEK

Some of our Grade 5 and 6 students have been busy exploring our local environment through their learning at Oman's Creek. They have been curious and thoughtful observers—learning how nature changes through the seasons, exploring winter ice safety, and problem-solving ways to use ice to slide quickly down the snow hill. They are especially looking forward to returning to the creek to experience firsthand the transformations that spring will bring.

Happy Spring,
Ms. Boulton and Mr. Olfert

FAMILY ROOM

APRIL 2026

Happy Spring, families!

Welcome back! As we move into April and start looking ahead to the warmer days of spring, we're excited about the new learning opportunities this season brings. The Family Room continues to be a welcoming space where parents and caregivers can gather to connect, learn, and build community. We're pleased to share our updated weekly schedule with you.

Family Room Weekly Schedule

- Monday: Ribbon Skirt Workshop
- Tuesday: Coffee Time
- Wednesday: Drop-In Beading
- Thursday: Moccasin Making
- Friday: Coffee Time

Our Moccasin Making Workshop is now underway, and we're excited to see all the creativity and skill put into these beautiful Moccasins! Our other workshops are also continuing to grow and evolve. Participants have been exploring their individual strengths while sharing their knowledge and skills with one another. Recently, one parent has been working on beautiful macramé pieces, while others have been creating handmade earrings and a variety of other custom crafts. These sessions have become a meaningful space for connection, creativity, and community—often enjoyed over coffee and snacks.

If you have a skill, talent, or idea you'd like to share with our parent community, I would love to hear from you. You are always welcome to join any of our workshops or drop-in activities—no experience is needed.

As always, I'm here to support our school community. Please feel free to reach out with any questions or ideas. I look forward to seeing you in the Family Room! Our hours are Monday to Friday from 9:00 a.m. to 12:00 p.m., unless otherwise noted in the calendar.

Enjoy the longer days of light.
