Dear Glenelm Families,

Happy Easter! I hope you had a wonderful spring break and were able to enjoy some quality time with your children and loved ones.

It was a quieter break for me this year, as my children are now both in the Philippines. That said, I did manage to dust off the golf clubs and play a virtual round at Pebble Beach, California, so I can't complain too much!

Thank you for taking the time to attend our Student-Led Conferences. These opportunities are so meaningful, as they allow students to take ownership of their learning while sharing both their strengths and areas for growth with you. We continue to see how proud and confident students feel when they can lead these conversations, and we appreciate your support in making this experience so valuable.

With warmer weather on the way let's hope, please remind your children to stay hydrated and dress appropriately for outdoor activities. As always, the health and safety of our school community remain a top priority.

We are excited to be starting the Todd MacCulloch Hoop School Program in the second week of April. In addition, Mr. Park has organized a 3-on-3 basketball tournament for our Grade 5 and 6 students, where they will have the opportunity to compete against other schools in the South District.

The final three months of the school year will go quickly! Please continue to check our school calendar regularly to stay informed about upcoming events and activities.

Wishing you all a wonderful start to the spring season.
