# Season's Greetings to all our Carpathia families!

As we move into December, excitement fills the halls of Carpathia School. This month is always a special one, and our students have much to look forward to—from our Holiday Concert on the 10th, to a fun-filled Spirit Week during the final days of school, capped off with our treasured Holiday Breakfast on the 18th.

The end of the calendar year gives us a chance to pause and appreciate the moments of learning, community, and joy we've shared so far. As you enjoy time together over the break, we encourage families to take part in simple activities that strengthen connection and support student growth. Reading with your child, sharing family traditions, writing seasonal cards, or playing games together are all meaningful ways to build skills and create lasting memories.

We remain deeply grateful for the energy, kindness, and dedication that our students, staff, and families bring to Carpathia each day. Your partnership is at the heart of everything we do.

Wishing you and your loved ones a peaceful and joyful holiday season, filled with warmth, rest, and togetherness. Here's to a wonderful finale to 2025! We look forward to continuing our shared journey of learning, growth, and community in the New Year.

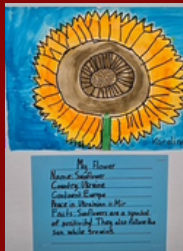

# Room 119's International Peace Garden

## Our Learning Connections

In Science, we are learning about plants, and in Social Studies, we are exploring the continents and countries of the world. We decided to connect these two areas of learning by representing our understanding through visual art and research.

# Indigenous Sky Teachings Dome & Map

We are excited to share that an Indigenous Sky Teachings Planetarium and an Interactive Star Map came to our school this November. This unique learning experience gave students the opportunity to explore the night sky through Indigenous perspectives, stories, and scientific knowledge. By integrating Indigenous star knowledge into our learning, we continue our commitment to honouring diverse worldviews, supporting reconciliation, and helping students understand that science and story can work together to deepen our understanding of the world. This experience not only enriched curriculum learning, but also helped students build a stronger connection to culture, land, and community.

# Humane Society Fun - Grade 1 & 2

# 2025 HOLIDAY CONCERT

The Carpathia School Winter Concert is quickly approaching! We are delighted to invite you to **A Holiday of Music: A Joyous Holiday Revue**

## Event Details:

Date: December 10th

Afternoon Performance: **Nursery - Grade 6** - 2:30 PM (Doors open at 2:15 PM)

Evening Performance: **Kindergarten - Grade 6** - 6:00 PM (Doors open at 5:45 PM)

- \* Students will be sitting with their class for the entire performance.
- \* Students are encouraged to wear dressy clothes. Holiday-themed outfits are welcome if they choose but not required. The goal is for students to feel comfortable, confident, and festive for their performance.

We look forward to seeing you there!
