# A Message From Ms. Manness...

As we turn the page to February, I want to take a moment to reflect on the month behind us and look ahead to what's to come. January was a time of settling back into routine after the holidays, reconnecting with one another, and refocusing on our learning. Across classrooms, students have been actively engaged in developing their numeracy and literacy skills, building strong learning habits, and finding their rhythm for the remainder of the school year.

We are hopeful that the coldest days of winter are behind us as we begin to enjoy longer days and look ahead to warmer temperatures. February brings with it a renewed sense of energy and many opportunities for joy and connection within our school community. This month promises to be a fun and meaningful one, highlighted by our I Love to Read celebrations, Valentine's Day activities, and our Festival du Voyageur learning and events. These experiences not only support student learning but also help foster a sense of belonging and community for our students and families.

Thank you for your continued support as we move through the winter months together. We look forward to all that February has to offer.
