Dear Glenelm Families,

February is here, and it's shaping up to be an exciting and meaningful month at our school. We are looking forward to a time filled with learning, school spirit, and opportunities to strengthen our sense of community.

I would like to welcome a new member to our Glenelm Family, Ms. Levi! Ms. Levi is our new Grade 1/2 teacher for the remainder of the school year as Ms. Murphy is on maternity leave. We are excited to have Ms. Levi join our community and appreciate your support as she settles into her role.

February is "I Love to Read" Month, and we are celebrating the joy and importance of reading across all classrooms. Reading helps build imagination, confidence, and lifelong learning habits. We encourage families to continue reading together at home and sharing favourite stories. We are also excited to welcome guest readers during the month to help inspire our students.

During the second week of February, our school will be celebrating Spirit Week. This is a fun time for students to show school pride, connect with one another, and enjoy special themed days. More details will be shared soon. We hope everyone joins in!

*Letter from the Principal continued:*

With the Olympics beginning this month, our school will be bringing the excitement to students through our own school-based Olympic activities. These activities will focus on teamwork, perseverance, and having fun together.

Our classrooms are also beginning to use Mathletics, an online math program that students can access both at school and at home. Mathletics provides interactive lessons, practice activities, and immediate feedback to support student learning and build confidence in math skills.

Valentine's Day will be a time to focus on kindness, friendship, and caring for one another. Class activities will emphasize inclusion and positive relationships.

A reminder that Family Day (Louis Riel Day) is coming up this month. This day recognizes the importance of family, culture, and community. We hope it provides time to rest and enjoy moments together.

February is sure to be a wonderful month, and we look forward to all that it brings.

- Lenin Mangaron, Principal
