

# Homework

It is beneficial for students to read at home daily. Any unfinished work may be sent home for completion. In the event of special projects, it is expected some work will be completed at home.

# Assessment

Assessment in Room 212 will be ongoing. I will program for each child based on reading and math assessments, daily observations, student conferencing, reading comprehension programs, projects, self-assessment and tests or quizzes.

# All About Me

My name is Denise Desjarlais (Ms. Denise) and I am looking forward to teaching and learning with Room 212 this year!

I enjoy helping children discover a love of learning through fun, hands-on land-based activities, and engaging conversations and creative projects.

I have worked at Prairie Rose School in a variety of positions and I have always been proud to serve my community.
