Welcome 2026

A Message From Ms. Manness

Happy New Year 2026, everyone! I hope you enjoyed a well-deserved holiday spent relaxing and making special memories with your loved ones.

December was filled with joyful celebrations, from our pancake breakfast to the holiday sing-along, and of course the wonderful Carpathia Christmas Concert. It was truly heartwarming to see so many of you there. Thank you for your continued support as we work together to help our students grow and succeed.

As we move into January, the school is once again buzzing with energy as students continue to make progress in their learning across all subject areas. We've already had a taste of winter, and it's safe to say it's here to stay! Please be sure your child(ren) are dressed warmly for the colder weather, and remember to send extra socks and mittens, as students often get wet while playing and exploring in the snow.

As we begin this new year together, I look forward to the learning, growth, and opportunities that lie ahead. May 2026 bring happiness, good health, and many positive moments for you and your families.

A festive banner for a 'Pasta Fun Lunch' event. The background is dark blue with white snowflakes. At the top, a string of colorful lights (red, yellow, green, pink) is draped across. In the center, a white rectangular sign with a grey border contains the title and date. Below the sign, a plate of penne pasta with red sauce is centered. On the left, a penguin holds a fork with a speech bubble saying 'tasty'. On the right, a penguin wearing a red Santa hat holds a fork with a speech bubble saying 'yum!'.
