# A Message From Ms. Manness...

With brighter days and (hopefully!) milder temperatures on the way, we're always excited to welcome March at Carpathia School.

Student-Led Conferences are coming up soon, and we look forward to welcoming families into the school to celebrate and reflect on student learning. We are also excited to once again host our Family Resource Night alongside the first evening of conferences. Families are invited to enjoy a complimentary light supper and visit the gym, where community partners will be on site to share information about programs and supports available to families. More details can be found later in this newsletter.

Students have had a very full and engaging February, taking part in, I Love to Read Month, learning experiences connected to Black History Month and Festival du Voyageur and classroom celebrations. Thank you to our staff and volunteers who continue to create meaningful opportunities for our students, and to our families for your ongoing support.

Wishing you all a wonderful end to winter and a restful, enjoyable Spring Break later this month!

# PARENT RESOURCE NIGHT

Join us for our second annual Family Resource Night on the evening of March 19, coinciding with Student Led Conferences! This event will once again feature booths with a variety of community supports, including Families Forward, Sara Riel, Winnipeg Harvest, Tuxedo Resource Center, and more. It's a great opportunity to learn about valuable resources available to you and your family. Plus, dinner will be provided (beef stew and bannock)! We look forward to seeing you there—come on down and connect with us!
