## MESSAGE from ADMINISTRATION Mr. MacVicar & Mrs. Sim

February was a month filled with creativity, connection and celebration, and we are excited to share some of the highlights.

Throughout the month, our school celebrated "I Love to Read", with a special focus on storytelling. Students wrote their own stories and proudly shared them with classmates. It was truly wonderful to see our students step into the role of authors - sharing their voices, celebrating their creativity, and taking pride in their work. We were also grateful to welcome guest readers, presenters, and storytellers who helped bring stories to life in new and exciting ways. One particularly memorable experience was storytelling inside an inflatable planetarium dome, where students enjoyed stories under the night sky.

Our students have also been busy staying active and engaged in extracurricular activities. From soccer, basketball, badminton, and skating, it has been inspiring to see such enthusiastic participation. Our skate club was involved in the WSD skating race at Canada Life Centre, where our school choir proudly performed the National Anthem. What a special moment for our school community!

In February, students participated in a meaningful assembly commemorating the fourth year of the war in Ukraine, recognizing the strength and resilience of our students and families, and celebrating how our children have adapted while we continue to stand with Ukraine in solidarity and hope.

As we move into March, student assessment and reporting are underway. Report Cards will be shared with families on March 16. Family conferences will be held on Thursday, March 19 (evening) and Friday, March 20 (morning). We are incredibly proud of the learning taking place in our school and look forward to celebrating student growth with you.

As the days grow longer, we hope March brings warmer weather, brighter days, and a refreshing Spring Break for all our families.

## NEW REGISTRATIONS FOR SEPTEMBER 2026

We are now accepting registrations for the upcoming school year. If you have a child who will be **five years old on or before December 31st**, we invite you to register. We are proud to be one of a handful of schools offering full-day Kindergarten next year, with students attending from 9:00 am. to 3:30 pm. Registration information can be found on our website.

Did you know that Ralph Brown School also offers the English-Ukrainian Bilingual Program for students in Kindergarten through Grade 8? We are currently accepting students in Kindergarten & Grade 1 who are interested in this unique language learning opportunity.

Please note that a **Grade 8 Parent Meeting** to discuss high school options for next year will take place on March 3 at 6:00 p.m. in the Ralph Brown School library.

Students will be picked up from the playground doors at 8:55 am in the morning.

Classes run from 9:00 – 12:00 and then from 1:00 – 3:30 pm
