

MARCH NEWS

GREENWAY SCHOOL 2026

WINTER HIGHLIGHTS

Hello Greenway families,

We've had an exciting and activity-filled winter here at Greenway School! Even with the mix of warm and chilly weather, our students have been busy learning, playing, and building community together. Here's a look at what has been happening over the past few weeks:

WINTER FUN DAY - OUTDOOR OLYMPIC GAMES

Our students enjoyed a beautiful day outdoors to participate in Olympic-themed games and challenges. From speed skating relay races, bobsledding and hockey there was no shortage of teamwork, laughter, and friendly competition. A big thank you to Ms. Thomson and the leadership team for organizing such a joyful day of movement and school spirit!

GRADE 3 OUTDOOR WINTER CHALLENGE

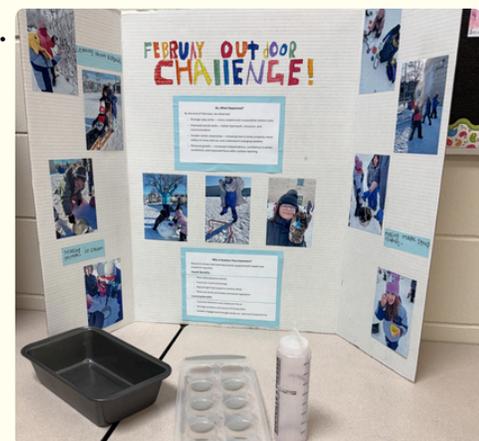

Congratulations to our Grade 3 students, who completed their Outdoor Winter Challenge! This challenge encouraged students to head outside every day—no matter the weather—to learn through play, explore nature, and build resilience. We are so proud of their commitment and enthusiasm.

LEARNING CONFERENCES AND FAMILY FUN NIGHT

A heartfelt thank you to all families who attended our Learning Conferences and Evermore Family Fun Night. Your partnership and involvement make such a difference in your child's learning. The energy, connection, and joy in the building during this event was wonderful to see. We are grateful for our strong Greenway community!

Warmly,

Ms. Boulton and Mr. Olfert

FAMILY ROOM

FEBRUARY 2026

Happy Spring, families!

Welcome to March, looking ahead to spring and the new learning opportunities that can bring. The Family Room continues to be a welcoming space for parents and caregivers to connect, learn, and build community, and we are excited to share our updated weekly offerings with you.

Family Room Weekly Schedule

- Monday: Ribbon Skirt Workshop
- Tuesday: Coffee Time
- Wednesday: Drop-In Beading
- Thursday: Moccasin Making
- Friday: Coffee Time

We are excited to share that our Moccasin Making Workshop is now underway! Alongside this new opportunity, our other workshops continue to thrive. Our adult participants have been exploring their unique gifts while generously sharing their knowledge and expertise with one another. Recent projects have included beautiful macramé creations, handmade earrings, and a variety of other creative crafts. These workshops have become a wonderful space for connection, learning, and community building – all enjoyed over coffee and snacks.

If you have a special gift, skill, or talent you would like to share with our parent community, I would love to hear from you. You are also always welcome to join us for any of our workshops or drop-in activities—no experience needed.

As always, I am here to support and serve our school community. Please feel free to reach out with any questions or ideas. I look forward to seeing you in the Family Room! Our hours are Monday to Friday 9:00am-12:00 unless posted in our Calendar.

Stay warm,

Erika Janzen
