Dear Glenelm Families,

Spring Break is just around the corner, and there's a real sense of excitement in the air. Our staff and students have been working incredibly hard, and a well-deserved break is almost here.

As we approach the end of Term 2, our students have been thoughtfully preparing their portfolios for our Student-Led Conferences on March 19th and 20th. This is a meaningful opportunity for students to share their learning, highlight their strengths, reflect on challenges, and celebrate their growth from the term. We look forward to welcoming you into our classrooms. Please be sure to book your conference time through School Interviews; the link will be shared with families next week. Report cards will be sent home by email on Tuesday, March 17th.

I'm excited to share that Green Kids will be visiting our school on March 10th and 12th. During their time with us, students will engage in learning focused on sustainability and caring for the Earth. These sessions will provide meaningful opportunities for our students to deepen their understanding of environmental responsibility and explore practical ways they can make a positive impact on our world.

Spring is a season of growth and new beginnings, and we are excited for the opportunities ahead for our students. Thank you for your continued partnership and for being such an important part of the Glenelm community. We look forward to seeing you at conferences and wish everyone a wonderful start to the spring season!

Lenin Mangaron, Principal

## PARENT ADVISORY COUNCIL

[glenelmschoolpac@gmail.com](mailto:glenelmschoolpac@gmail.com)

Please check your email for more PAC information including the February minutes, March agenda, and a PAC newsletter.

Join us at our next Parent Advisory Council meeting on Thursday, March 5th at 6:00 pm in the school library. We will be planning the PAC Community BBQ! Meetings usually last about 90 minutes. Dinner will be provided and childcare can be arranged. Please RSVP to [GlenelmSchoolPAC@gmail.com](mailto:GlenelmSchoolPAC@gmail.com) so we can have enough food or if there are any additional needs (dietary/childcare/accessibility).

Hope to see you all there!

### PATROLS

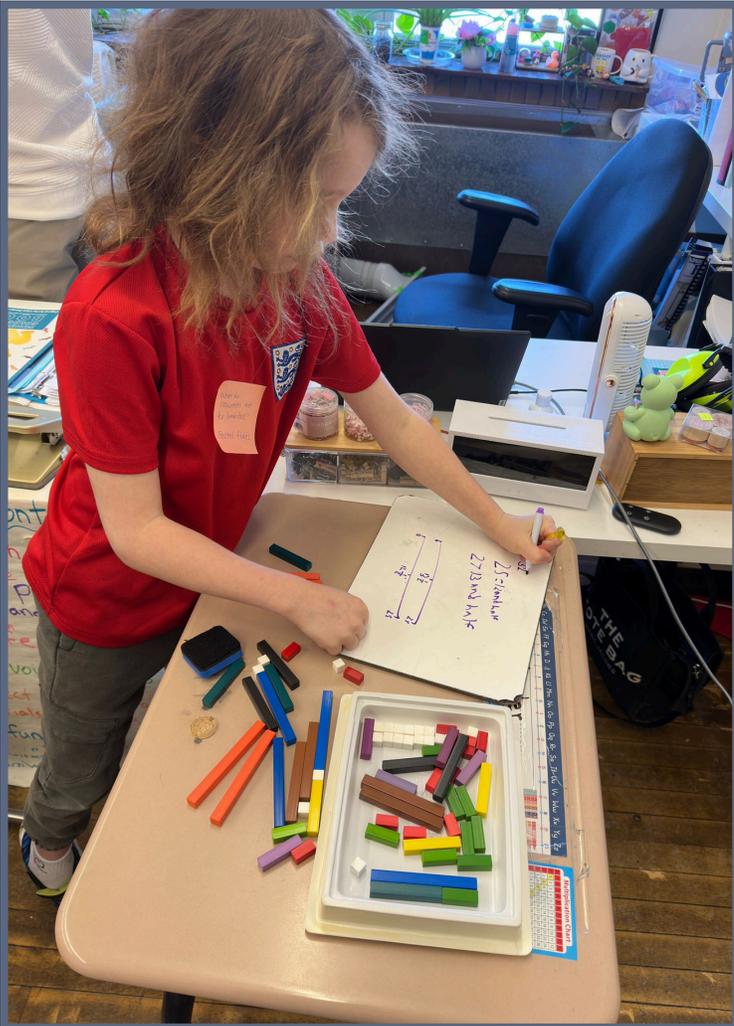

We are so thankful for our wonderful patrols. They have done a remarkable job through all the fluctuations of our winter weather! It is always impressive how they do their task willingly and without complaining.

Another outstanding trait of our team is how they are more than happy to volunteer when someone needs a sub. These students are enthusiastic and truly exemplify what it means to be a community leader.

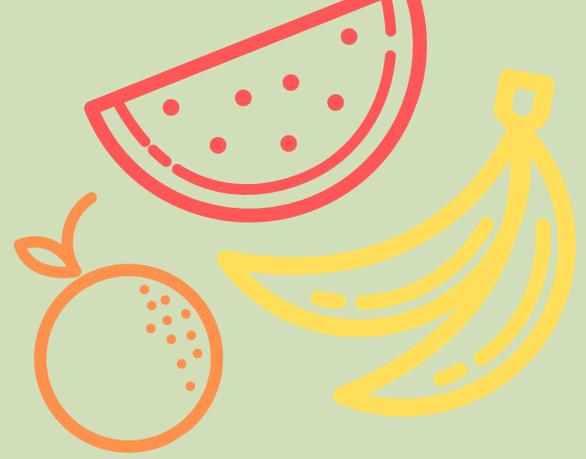

Thank you, patrols! And thanks to our parents and guardians who are there to support and encourage them!
