2026

### GRADES 1 & 2: WHAT WE ARE LEARNING

Room 17 has been working on science unit about states of matter! We are experimenting with different solids to see which solid dissolved and working on representing numbers.

Room 16 has been exploring winter through building snow forts and snowmen inside and outside, and has been learning about solids, liquids, and gases, including making our own boats!

Room 18 has been creating books. They made books about Apples, Peace, Kwanzaa, and a book modeled after "Brown Bear, Brown Bear, What do you see?".

### FEBRUARY, IS I LOVE TO READ MONTH!

For I Love to Read Month we will have several special activities including, readers theatre assembly, guess the book emoji activities. There will also be several guest readers visiting the library & classrooms this month, including MLA Malaya Marcelino, Radio Announcer Tyler Magnaye of Virgin Radio 103.1.

We are asking for parent's volunteers to come and read to your child's classroom! please contact the office, if you would like to come and volunteer!
