## ***Principal's Message***

***February 2026***

Dear Parents and Guardians,

February is I Love to Read Month and we are excited to celebrate the joy of reading at John M. King School. To kick off the month, we are pleased to invite families to our Pancakes, Pyjamas and Picture Books Breakfast on Tuesday, February 3, from 8:00 a.m. to 9:15 a.m. Following breakfast, families will have the opportunity to sit with their child(ren) and enjoy reading some of their favourite books together.

Throughout February, students will participate in a variety of engaging literacy activities, including special guest readers, book challenges, and read-alouds. We encourage families to support their child's reading journey by setting aside time to read together, talking about favourite books and fostering a love of stories at home. Let's make this month full of imagination, discovery and a shared love of reading.

February is also Black History Month. During this time, students will be learning about the achievements, contributions and experiences of Black individuals and communities and the important role they play in shaping our society.

We would like to extend warm wishes to all families celebrating Chinese New Year on February 17, marking the beginning of the Year of the Fire Horse.

On February 25, we will recognize Pink Shirt Day. Students are encouraged to wear pink as we learn about kindness, inclusion and standing up for one another.

Please note that the school will be closed on Monday, February 16, in observance of Louis Riel Day.

Thank you to our families for ensuring students arrive at school on time and attend regularly. Even with changing weather conditions, consistent attendance is essential to student success.

A special thank you to our Safety Patrols and our crossing guard, Ms. Thabit, who are outside every day in the cold weather, helping keep our students safe. We would also like to welcome Ms. Sandra Miles, our new crossing guard at Agnes Street and Ellice Avenue.

Families are invited to attend our I Love to Read Month wrap-up assembly on Friday, February 27, at 9:30 a.m., featuring a performance by Al Simmons. We hope you can join us for this special celebration.

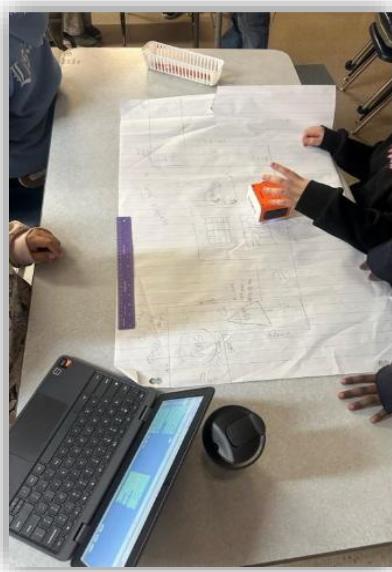

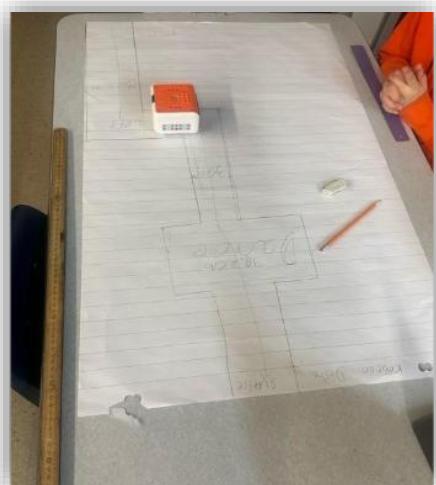

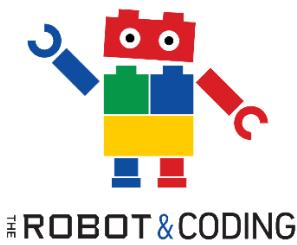

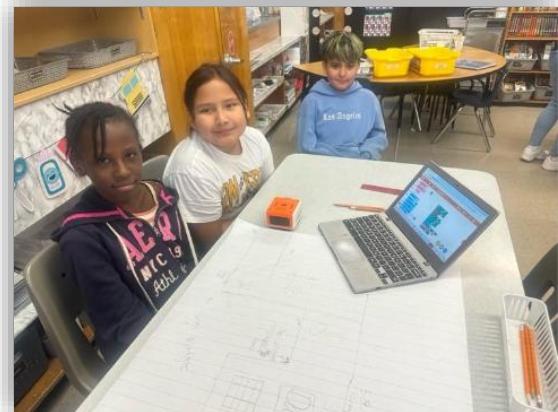

Warm regards,

**Mrs. Karagannis Bell**

## CODING IN ROOM 209

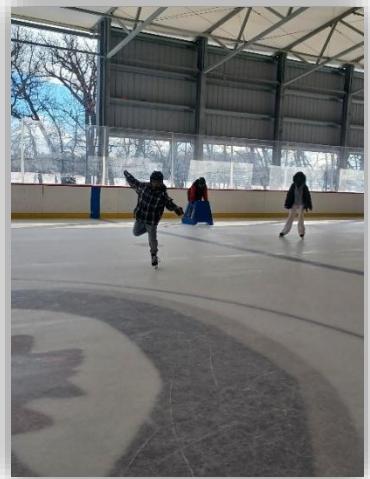

Our Grade 5 students had a blast exploring coding and robotics with **Vidic Bots**! They designed maps for their robots to follow, wrote programs to guide them and worked together to troubleshoot and improve their designs. Through this project, they strengthened problem-solving, critical thinking and collaboration skills, while learning how to plan, test and adjust solutions—just like real-world scientists and engineers. It was amazing to see their collaboration and excitement as their robots came to life!

# HAPPY I LOVE TO READ MONTH!!

Mrs. Main's Grade 5/6 students have had a busy and exciting start to the year. In January, we greatly enjoyed our trip to Camp Manitou, where they built teamwork skills, resilience and just enjoyed the last of the mild winter weather!

Students are also participating in daily Math Power Hour and ELA Power Hour, working collaboratively with Ms. Fast's class to strengthen skills, build confidence and engage in focused learning. Pink Shirt Day is February 25, promoting kindness, inclusion and anti-bullying awareness. Students are encouraged to wear pink as we continue to build a respectful and caring school community. Although it has been incredibly cold outside, our class is full of warmth as we work together learning and growing. We are enjoying that warmer weather and longer days are just around the corner!!
