## *Principal's Message*

*January 2026*

Dear Parents and Guardians,

Happy New Year! We are so excited to welcome our amazing students back after the winter break. It's hard to believe we are already nearly halfway through the school year, time truly flies when we are learning and growing together.

We are pleased to welcome Ms. Katie German, who will be teaching Performing Arts/Music this term. We are thrilled to have her join our school community.

As the weather can be very unpredictable, we kindly remind families to ensure students are dressed appropriately for outdoor conditions. If your child requires winter clothing, please connect with Ms. Chantel, our Community Support Worker, to apply for Koats for Kids.

Please note the following upcoming school closures:

- Monday, January 12 – Professional Development Day
- Monday, February 2 – Professional Development Day
- Monday, February 16 – Louis Riel Day

Looking ahead to February, we are excited to invite all families to our annual *Pancakes, Pajamas, and Picture Books* breakfast on Tuesday, February 3rd, from 8:00 a.m. to 9:30 a.m. Join us for breakfast, reading and a cozy morning together.

We wish all our families a wonderful 2026. May your year be filled with warmth, joy and good cheer.

Warm regards,

Mrs. T. Karagiannis Bell  
Principal

Mrs. T. Chambers  
Vice-Principal

# Happy New Year from Ms. Moffatt's classroom!

It is hard to believe we are already halfway through the school year! Our first semester was packed with growth, discovery, and community building. From group novel studies, to learning new math strategies, our class was ready for the end of December to arrive.

Coming back after the Holiday break, and a well deserved rest, there is a distinct "fresh start" feeling in the air. We've spent the first few days back reconnecting and welcoming some new classmates!

Our next semester, along with some more math and novel studies, will have our class spending time at Camp Manitou as well as some more field trips as the weather warms up.

Thank you for your continued support and for being partners in your child's education. Whether it's checking in with a teacher or asking them about their day, your involvement makes a world of difference.

Let's make this second semester the best one yet!

# Happy New Year from 102!

With a new year upon us, students in 102 are looking forward to continuing their learning. We are extra enthusiastic about our new inquiry (science and social studies) unit "Life in the North". This unit takes us on an adventure, learning about the growth and changes in animals, as well as the Canadian community of Churchill, MB. Our unit began this week with making connections to our real world by watching an episode of the Arctic Vets show on CBC Gem. This show follows the Veterinarians at the Assiniboine Park Zoo, particularly the head Veterinarian, Dr. Chris Enright and his connection to assisting animals in Churchill. It is extra fun to watch this show because we actually get to visit the Zoo in the middle of the month and learn more about polar bears and other Arctic animals in person!

After we watched this episode, we began to ask questions that will guide our learning and find particular areas or animals of interest. We will then move into studying polar bears, adaptations that help them live, and the impact that global warming has on their home, and therefore the town of Churchill, MB. We will then move into studying more about Churchill, transportation to/from and within, what it is like to live there, as well as some Inuit culture. We are so lucky that an Educational Assistant in our classroom, Natalia, has a cousin that lives and works in Churchill! We are hoping to be able to have a video chat and ask an expert more about life in Churchill and the polar bears! We look forward to this exciting new unit! If you are curious about our learning we would love to share more of it with you, come by and ask us!

**Happy  
New  
Year!**

Hello everyone! I hope you all had a relaxing break. This month, we've planned many fun programs in the afternoons. I've left the mornings free so families can stop by for a coffee! We also have some fun field trips in the works, so please stop by if you have any ideas or input. Thanks, and take care!
