Dear Glenelm Families,

I hope you are all doing well and enjoying the beautiful fall season. We have had a busy and exciting few weeks at Glenelm, and I am thrilled to share some of the wonderful learning and activities happening in our building!

We are pleased to share that we have hired a new Food Coordinator, Mrs. Ha Yen (Ian). We are very excited to offer Thursday and Friday lunches once again starting November 6 and 7! Thank you to our families for your patience and continued support as we re-establish this important program.

Report cards will be sent home via email on Monday, November 17th. Please ensure the school office has your most up-to-date email address. If you do not receive your child's report card by the end of the day on November 17th, please contact us. Conferences are scheduled for Thursday, November 20th from 4:00 pm – 8:00 pm and Friday, November 21st from 9:00 am – 12:00 pm. Conferences will be in person and will be scheduled through the School Interviews website. You will be receiving an email regarding the process on how to book your conference times.

Thank you for your continued partnership and support.
Together, we are creating a kind, caring, and thriving learning
community. If you have any questions or concerns,
please don't hesitate to reach out.

- Lenin Mangaron, Principal

CLASS HIGHLIGHTS

Room 3 has been moving, dancing, and discovering all the amazing things their bodies can do. They also exchanged ideas and listened to one another in a learning circle. It is a pleasure to see their confidence and communication skills in action!

Rooms 1 & 7 have been engaging in EET (Expanding Expression Tool) Writing Lessons, building strong vocabulary and descriptive writing skills. Our students have been excited to share more detailed and creative ideas in their writing!

Room 5 has been learning about the water cycle and discovering how water moves through our environment. They have been asking great questions and learning how important water is to all living things.

Room 6 has been exploring multiplication strategies. Students are learning different ways to show their thinking, helping them develop strong number sense and mathematical confidence.

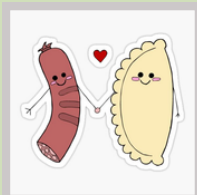

Room 8 along with our amazing Student Council, has been busy planning our Halloween activities for the school. Students also integrated math, ELA, and science as they designed activities. We are so proud of their leadership, creativity, and commitment to making school celebrations fun for everyone.

PARENT ADVISORY COUNCIL

glenelmschoolpac@gmail.com

PBIS “Gotcha” Prizes: Students at Glenelm are rewarded for their positive behaviour! If any parents would like to donate small prizes, please get in touch with PAC.

**A big thank you to all
who participated in our
Kielbasa & Pierogi
Fundraiser!
We raised \$612.00**

Get Involved!

Join us at our next Parent Advisory Council meeting on Tuesday, November 4, at 6:00 pm in the school library.
