Shout Outs From the Office

Thank you to our amazing office staff members Heather and Michelle for getting us started on another school year! Switching to a new system has been tricky and you have worked so hard to keep things running smoothly.

Shout out to our teachers for planning fun back to school learning that allowed students to learn about eachother and themselves.

Thank you to our EAs that support our children in countless ways everyday.

And lastly thank to our Patrols that are making sure our students and families are crossed safely.

Reminders
