Once you have completed the preparation stage you may proceed to the online application process:

In your browser go to the **[www.winnipegsd.ca/sisler](http://www.winnipegsd.ca/sisler)** **website** and under **Sisler Course Selection** select **Online Course Selection.**

Log in with your network username.

The password is your home phone number (primary phone number of the first contact listed).

Please read the **Terms and Conditions** page. (These must be accepted in order to proceed.)

You will begin with the **Pre-Registration** tab

1. Students will be automatically pre-registered at their catchment school. If Sisler does not already appear here for you, please contact your guidance counsellor.

Move to the next tab called **Course Requests**

1. Select **Preregistration School** (Sisler--grade) and **Graduation Diploma** (English, French Immersion, Technology Education)

   · Students may view courses they have already taken and courses still required for graduation in the **Course History & Grad Requirements** tab.

   · If you do not see the course you want to take listed in the drop down box, it may be because you do not have the prerequisite course.

2. Begin selecting your compulsory courses (these are the non-elective courses that you need to graduate). Fill in each box and **click** the **Add Compulsory** button when done. Do not use the priority option for your compulsory subjects. If filled out correctly the courses you have selected will now be listed underneath the dropdown boxes.

3. The next step is optional courses. Using the **Course Code Description** drop down menu you can select a specific subject you are looking for. Select 8 elective courses and make sure each selection is listed with a **priority** number 1-8, even if you do not require that many. **After each optional course selection**, click on "**Add**" to save your request.

4. Once you have completed selecting 8 optional courses, review all of your choices keeping in mind grad course requirements and your course history.

Be sure your parent/guardian sees your selections.

When you are completely finished and your parent/guardian has reviewed your requests, please select **Finalize Preregistration.**

A reminder window will appear at the top of your screen warning you that **no changes can be made** after you select the finalize button.

**Completion**

**Signed paper copies are no longer required.** If there are updates to your listed personal information, you must contact the school.

# Completed registrations need to be submitted by
# March 27th 2026.
