Dear Harrow School Families,

RE: School Supplies and Lunch Program

School Supplies

We are pleased to share that **families will not be required to pay a school supply fee this school year**. The cost of school supplies will be covered by the school.

Students will still need to bring the following personal items:

- **Backpack**
- **USB-C Wired headphones** (Grades 1–6)
- **Indoor runners** – Velcro or slip-on runners are required for students who are unable to tie shoelaces.
- **Three boxes of Kleenex**
- **Water bottle** – A reusable water bottle is highly recommended.

Lunch Program (Grade 1-6 only)

The **school lunch program** continues to be provided at **no cost to families**. Students in **Grades 1–6** are welcome to stay at school for lunch and participate in the program.

Important Note: Students attending the in-school daycare are required to eat lunch there and follow the daycare policies and procedures.

Kindly ensure your child brings **lunch from home each day**. Microwaves are available for students to heat their lunches (**microwave-safe containers only**). In the event that your child forgets their lunch, an **emergency lunch will be provided by our Food Coordinator**.

Participation in the lunch program is optional. Students who wish to **go home or leave the school for lunch** must have parent/guardian permission, and the office must be notified in advance.

If you have any questions or concerns, please contact the office at **204-453-3347** or harrow@wsd1.org

Thank you, and we look forward to welcoming everyone back to a wonderful school year!

Warm regards,
Harrow School
