Winter Concerts For All!

Please note that this school year all grades will be performing a winter concert instead of just primary at wintertime and intermediate later in the spring. The school has been fortunate to temporarily have access to steel drums for music education and would like to share learning your children have engaged in. What better way than through concerts!

Grades 1-3 and 4-6 will perform on separate days/evenings.

Nursery & Kindergarten will be daytime concerts only as usual.

More details to come, but please save the dates listed to the right!
