Help Us Build Our "Loose Parts" Play & Learning Area!

We have been busy brainstorming ways to build on our playtimes and learning environments more exciting, creative, and hands-on. One of our focus areas is introducing **Loose Parts Play**.

What are loose parts?
Loose parts are open-ended for everyday items and materials that don't have a single, predetermined purpose. Instead of playing with a toy that only does one thing, children use loose parts to build, design, problem-solve, and create using their own imagination.

Items We Are Looking For:

-beads
-plastic figurines (people or animals)
-small smooth stones
-small branch or tree cross sections
-sea shells
-button
-small baskets for sorting items
-muffin tins
-wool

If you can donate any listed items to the school, we would greatly appreciate it.

How to donate:
Please have your child drop items off at our school office, attention to Mrs. Sweatman. Every small contribution will make a difference in sparking our students' creativity.

Thank you so much for your support!
