February Newsletter

Message from Administration

Dear Families,

2025 has been off to a good start! It is hard to believe that we are at the mid-point of our school year.

As we roll into February, our attention will be drawn to friendship and kindness themes linked to Valentine's Day and **PINK** Day. Catch glimpses of classroom happenings on our newly launched Instagram account and be sure to follow us @keewatinprairiewsd.

For the past six years, our school division has recognized the "Day of Pink" on April 9th as a symbolic initiative to take a stand against bullying. On February 26th, we will recognize the International Red Cross "Pink Shirt Day" as well. We encourage all students to wear pink on both days (and of course any other day they wish to wear pink) to be a visual symbol to stop bullying and instead spread kindness.

We also have the 'National Flag of Canada Day' happening on February 15th, and this month signifies 'Black History Month' and 'I Love to Read Month.' We will be learning about and discussing all of these important events in developmentally appropriate ways.

Coming up shortly, our Grade 8 & 9 students will begin the very important process of thinking about choices for their new schools in the fall. We are working closely with our local High Schools, Tec Voc and DMCI, to help make this transition a smooth one. Open Houses are coming up and school presentations are underway. Please chat with your teachers or Ms. Malandrakis, our Grade 9 Learning Support/Guidance Teacher, if you have any questions.

Soon, our Grade 6 students will begin thinking about their transition to Grade 7. Even though the change is in-house, there are still some wonderings about what Grade 7 looks like. We will begin providing some initial information to help support students in the next coming months.

Have a Fabulous February!

Mrs. Rosenberg and Ms. Bui

BREAKFAST PROGRAM INFORMATION

Students are welcome to come by through our front doors between 8:30 AM and 9:00 AM.
