November Newsletter

Message from Administration

We have had a busy two months of growing our brains at Keewatin Prairie Community School!

Our new Universal School Nutrition Program has helped our students to be prepared to learn each school day. As part of this program, we are fortunate to also include a variety of different foods, that are reflective of our diverse community. We will honour Diwali on November 4th, with a nutritional snack to share with students. Please contact us if you have suggestions about how we can enhance the nutritional meals that we are offering to our students.

As the weather shifts and the days cool down, please remember to send your child with appropriate clothing for outdoor recess. If you are in need of support with this, please connect with our Community Support Worker, Cheryl McNabb.

This month we will remember the members of the Canadian Armed Forces and RCMP who served to defend our rights and freedoms. This will be recognized through a Remembrance Day service on November 8.

On November 21st in the evening, and in the morning of November 22nd, our students will showcase their learning from Term 1, during our Family Conferences. Please join us to hear the exciting things that your children have been learning at Keewatin Prairie Community School!

Kind regards,

Sari and Misty
