### About our school

Collège Churchill High School is “One School with Two Distinct Programs”, located in the Riverview neighbourhood in south Winnipeg. We provide comprehensive programming for our grade 7-12 students in a caring learning environment that maximizes the aspirations, abilities and achievements of all students.

Collège Churchill High School has over 800 students enrolled in the two distinct programs. Along with academic courses that include AP and Indigenous focused classes, CCHS has created specialized programs that attract students from all over the province such as the Hockey and Softball Academy. CCHS also provides optional classes like band, guitar, choir, Spanish and practical arts.

As a UNESCO designated school, we foster a strong sense of community. This is evident in the many programs and extra-curricular initiatives that are available to our students. We have exceptional visual and performing arts programs and athletic programs. We also provide an apprenticeship program, student leadership courses and numerous Education for Sustainable Development opportunities.

Our School motto is “Pride and Tradition” and we are very proud of our school community. The staff are committed to a learning environment that promotes strong values, community activism and most of all kindness.
