Message from Administration

Dear Families,

We hope that all of our families, students and staff have enjoyed a relaxing and restful Spring Break! We also hope that caregivers were able to talk with their learner and teachers about all of the successes that were evident in the report cards. Thank you for making student led conferences a time for celebrating learning!

Overall, our collective goal at David Livingstone Community School is to work towards strengthening our community connections and continue to build relationships with caregivers and our learners. We look forward to seeing many of you in our school for programs, field trips and volunteering. We would like to invite you to our Family Room (please see calendar), as we have programs that are tailored for you. Please come down for a cup of coffee and connect with our CSW.

We invite you to view the school calendar that is included with this newsletter which includes any closure dates for our school in April 2023.

April in the gym will have us reassessing our transport, balance and manipulation skills (running, jumping, hopping, skipping, galloping, static balance, dynamic balance, roll, bounce, catch, throw, kick and strike. We will compare our results to those taken in the beginning of the school year. We will note any improvements and see what we still need to work on.

April 2024

LITERACY TIP
Rediscover the joy of traditional storytelling and ignite your child's imaginations by passing down your stories. Create lasting memories while boosting your child's curiosity, imagination and love for words.

What is READ-to-ME?
Reading instruction is part of the English Language Arts curriculum for all our classes. The Grades 1 and 2 classrooms are part of a special guided reading framework called, READ-to-ME." For 1.5 hours per morning, students receive both whole class and small group reading instruction at their level.

WHY DID THE BISCUIT GO TO THE LIBRARY?
Because it wanted to be a smart cookie!

DID YOU KNOW?
Children whose grown ups read to them at least three times per week are twice as likely to score in the top 25% in reading.

Mrs. J. Martin, READ-to-ME Teacher
Email: jemartin@wsd1.org
Thank you for being your child's best and first reading teacher!

Attendance Facts

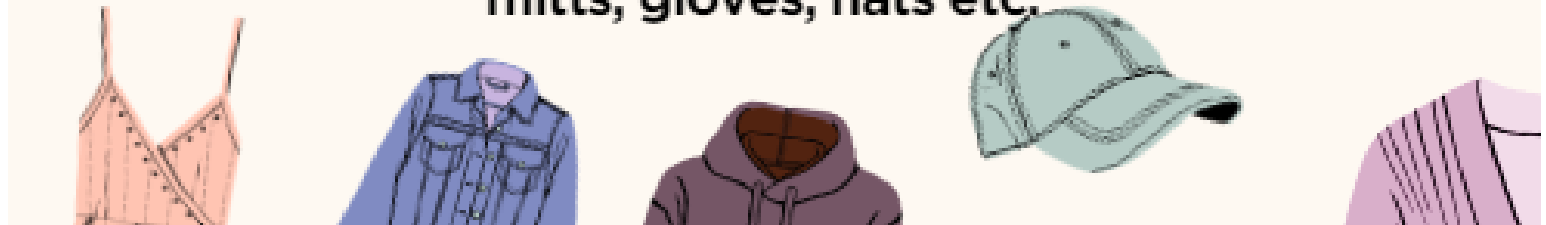

- Students need to be present to learn. Attending regularly helps children feel better about school.
- Students who miss **only 15 days a year** will end up missing a **full year of school** by grade 12.
- A student with 90% attendance (missing 2 days a month) will miss **4 weeks of school per year!** This can make it harder to learn to read.
- Being only **10 minutes late** each day equals **6 missed days** of instruction over the year..
