

FARADAY STINGER NEWS

April 2025

Principal's Message -

We are stronger together.

"Be the change that you wish to see in the world".

~ Mahatma Gandhi

Hello Faraday Families!

Welcome to April! We hope you had a restful and enjoyable spring break. Hard to believe we are in the last term of the school year, with only 3 months left!

March was another AMAZING month filled with engaging, purposeful learning and celebration. Our students wrote thoughtful persuasive writing pieces that made us think and challenged some viewpoints. These pieces were brought to the published state and celebrated with other students as they read theirs with such pride to other students across the school. Our mathematicians continue to be excited to engage with their classmates in solving math problems and are happy to talk out their thinking with others. Steam activities are happening in many of our classrooms, and buddy class visits are always a hit and so much fun! Term 2 ended on a high as we watched students celebrate and share their learning with their families at student led conferences. When students own their learning, they are more willing and committed to share it with others. Our team of educators do a wonderful job of setting their students up for success and this most definitely showed at the student led conferences.

Please save the dates -

April 11th - PD day - no school.

We are still looking to expand our PAC and would love to have you join us at our monthly meetings. This is a great way to get involved and have a say in what happens at Faraday. Our next meeting is scheduled for April 7th at 3:40 in the staff room. Hope to see you there!

We strive to keep the lines of communication open with all our families and always want to work alongside you for the betterment of your child(ren). Please reach out if you have any questions or concerns. We are here and want to help.

On behalf of the entire Faraday School team, we wish you a healthy and happy April filled with lots of joy and good health!

Take care,

Mrs. Cox 😊

THE FARADAY LIBRARY

NEEDS YOU!

Please bring in your empty

- paper towel rolls
- kleenex boxes,
- egg cartons
- and small-medium sized cardboard

We have enough toilet paper rolls at the moment, but will need them in the future!

Drop off supplies at the new

RECYCLING DEPOT

on the main floor
between the office and Room 4

THIS MONTH

In Room 7

In March...

We had so much fun exploring shapes. We made shape monsters, we made shape patterns and shape flowers and we went on a shape hunt!

We had some doggy visitors and some Moose player visitors too! We loved meeting with our Learning Buddies where we read and play games together.

Coming up...

In April and beyond we are working on finishing the year off strong. We will continue with exploring shapes and patterns and practice adding and subtracting. We will continue to work on Guided reading and phonics instruction each day. We will also have a field trip or maybe even 2! We are looking forward to warmer weather and sunny days!

Did You Know?

Canadians toss over 3 million tonnes of plastic every year – 47% of which is single use plastic packaging for food, beverage and personal care items. Imagine if we all said no to single-use plastic packaging – we could cut Canada's plastic waste in half!

GREEN ACTION CENTRE PRESENTATION

STUDENT-LED CONFERENCES

STUDENTS SHARED THEIR LEARNING AND HOW THEY "THINK ABOUT" LEARNING DURING OUR STUDENT-LED CONFERENCES. SOME FAVOURITE THINGS TO SHARE ABOUT INCLUDED:

- THE TALE-BOT ROBOTS - LEARNING TO CODE AND GIVE DIRECTIONS
- SHOWING THE GYM - IMPORTANCE OF STAYING ACTIVE AND BEING HEALTHY
- SHARING WHAT WE HAVE BEEN RESEARCHING AND LEARNING ABOUT ARCTIC ANIMALS THROUGH WRITING AND ART

RECYCLING IN ROOM 9

SOME IMPACTFUL LEARNING AROUND RECYCLING GOING ON IN ROOM 9. STUDENTS WERE CHALLENGED BY A PRESENTER TO LOOK FOR THE RECYCLE SYMBOLS ON THE CONTAINERS FROM THEIR LUNCHES. CAN WHAT YOU HAVE IN YOUR LUNCH BE RECYCLED?

The Floor Hockey Club was a huge success, with students participating every Wednesday afternoon after school. There were great plays and awesome goals.

Our very first Faraday Volleyball Lunchtime League was an amazing experience, as students had fun and played many close matches. A big salute to all the players, scorekeepers, and officials.

Todd Mac Basketball continues in May, with practices held on Tuesdays from 3:30 p.m. to 5:00 p.m. Please check the schedule for specific practice dates.

The Softball season starts in May, and scheduled practices will be distributed soon.
