October Stinger News

Principal's Message

We are stronger together.

"Education requires a collective effort: the school, the student, the parents and the community".

~ Robert John Meehan

Hello Faraday Families!

September flew by and it was a wonderful month of building communities within our classrooms and welcoming all our returning and new students and families back! October is sure to be filled with purposeful and engaging learning.

As a school community, we gathered on September 27th in honour of Truth and Reconciliation Day. We learned about the importance of this day, why we wear orange and the importance of continuing to treat others with kindness and respect. If you have not seen the orange ribbons tied on our fence facing Mountain Avenue, please take time to go and look at them. Every child at the school tied a ribbon to the fence to honour the children, families and communities that were affected by residential schools.

We strive to keep the lines of communication open with our families and want to work alongside you for the betterment of your child(ren). Please reach out if there are questions, concerns or wonderings. Our doors are always open.

Picture day is on Oct.3rd and there is no school on Wednesday, October 9 and Friday, October 25. Please mark your calendars.

On behalf of the entire Faraday School team, we wish you a wonderful October!

Take care,
Mrs. Cox 😊

DATES TO REMEMBER

OCTOBER

OCT 3 - PICTURE DAY

OCT 9 - NO CLASS

OCT 14 - THANKSGIVING

OCT 25 - NO CLASS

NOVEMBER

NOV 8 - PICTURE RETAKES

NOV 8 - REMEMBRANCE DAY CELEBRATION

NOV 11 - NO CLASS (REMEMBRANCE DAY)
NOV 19 - GR. 6 IMMUNIZATIONS

NOV 21 - STUDENT LED EARLY DISMISSAL

NOV 22 - STUDENT LED NO CLASS

Smith, Dayna

FARADAY LUNCH

PROGRAM

Starting September 2024, parents are no longer required to pay a fee to have their children stay in the lunch program.

Students will now be supervised by Educational Assistants during the lunch hour from 12 – 1 pm.

IF YOU REQUIRE LUNCH PROGRAM, PLEASE COMPLETE THE LUNCH PROGRAM REGISTRATION FORM AND RETURN TO THE OFFICE ASAP!

- Students must bring their own lunch every day. Lunches are not provided by the school.
- The lunch program does not have the use of microwaves. Thermal bags or thermos containers are recommended if student wishes to have a hot lunch. We encourage nutritious lunches and insist your child eat what they bring in their lunch bags. Any leftovers, we ask students to repack and bring home.

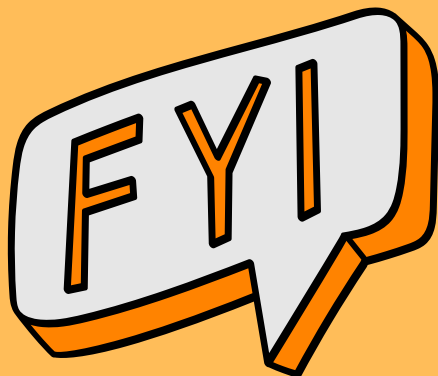

GYM NEWS

All students at Faraday School participated in the Terry Fox Run. They celebrated with an assembly and a pre hype dance.

Grades 5/6 students are practicing their soccer skills in preparation for the annual tournament at Tyndall Park School. Practices will be held during the lunch hour.

STUDENTS IN GRADES 4-6 ARE EXPECTED TO CHANGE FOR ALL GYM CLASSES. HYGIENE IS PART OF THEIR CURRICULUM.

Room 22/23

Mr. Antymis

In Mathematics classes we are currently working on patterns. Students are building patterns using concrete materials, drawing patterns and organizing information using t-tables. Some patterns are showing that they are growing or increasing. Some patterns are showing they are shrinking or decreasing. Some patterns are alternating and showing increasing and decreasing. Classes are working on problem solving to show their understanding.

• Create a pattern.
 • Your rule needs to be alternating between increasing and decreasing.
 • Show your pattern in a diagram and in a t-table.
 • What is your rule?

Rule: $+2, +4$

Figure 1 Figure 2 Figure 3

Figure 4 Figure 5 Figure 6

| Fig # | Blocks |
|-------|--------|
| 1 | 4 +2 |
| 2 | 6 +4 |
| 3 | 10 +2 |
| 4 | 12 |
| ⋮ | ⋮ |
| ⋮ | ⋮ |

Keeps conti

The rule in here is also increasing by $+2$ then $+4$ the over an over.

In here the rule in here that is increasing by adding one.

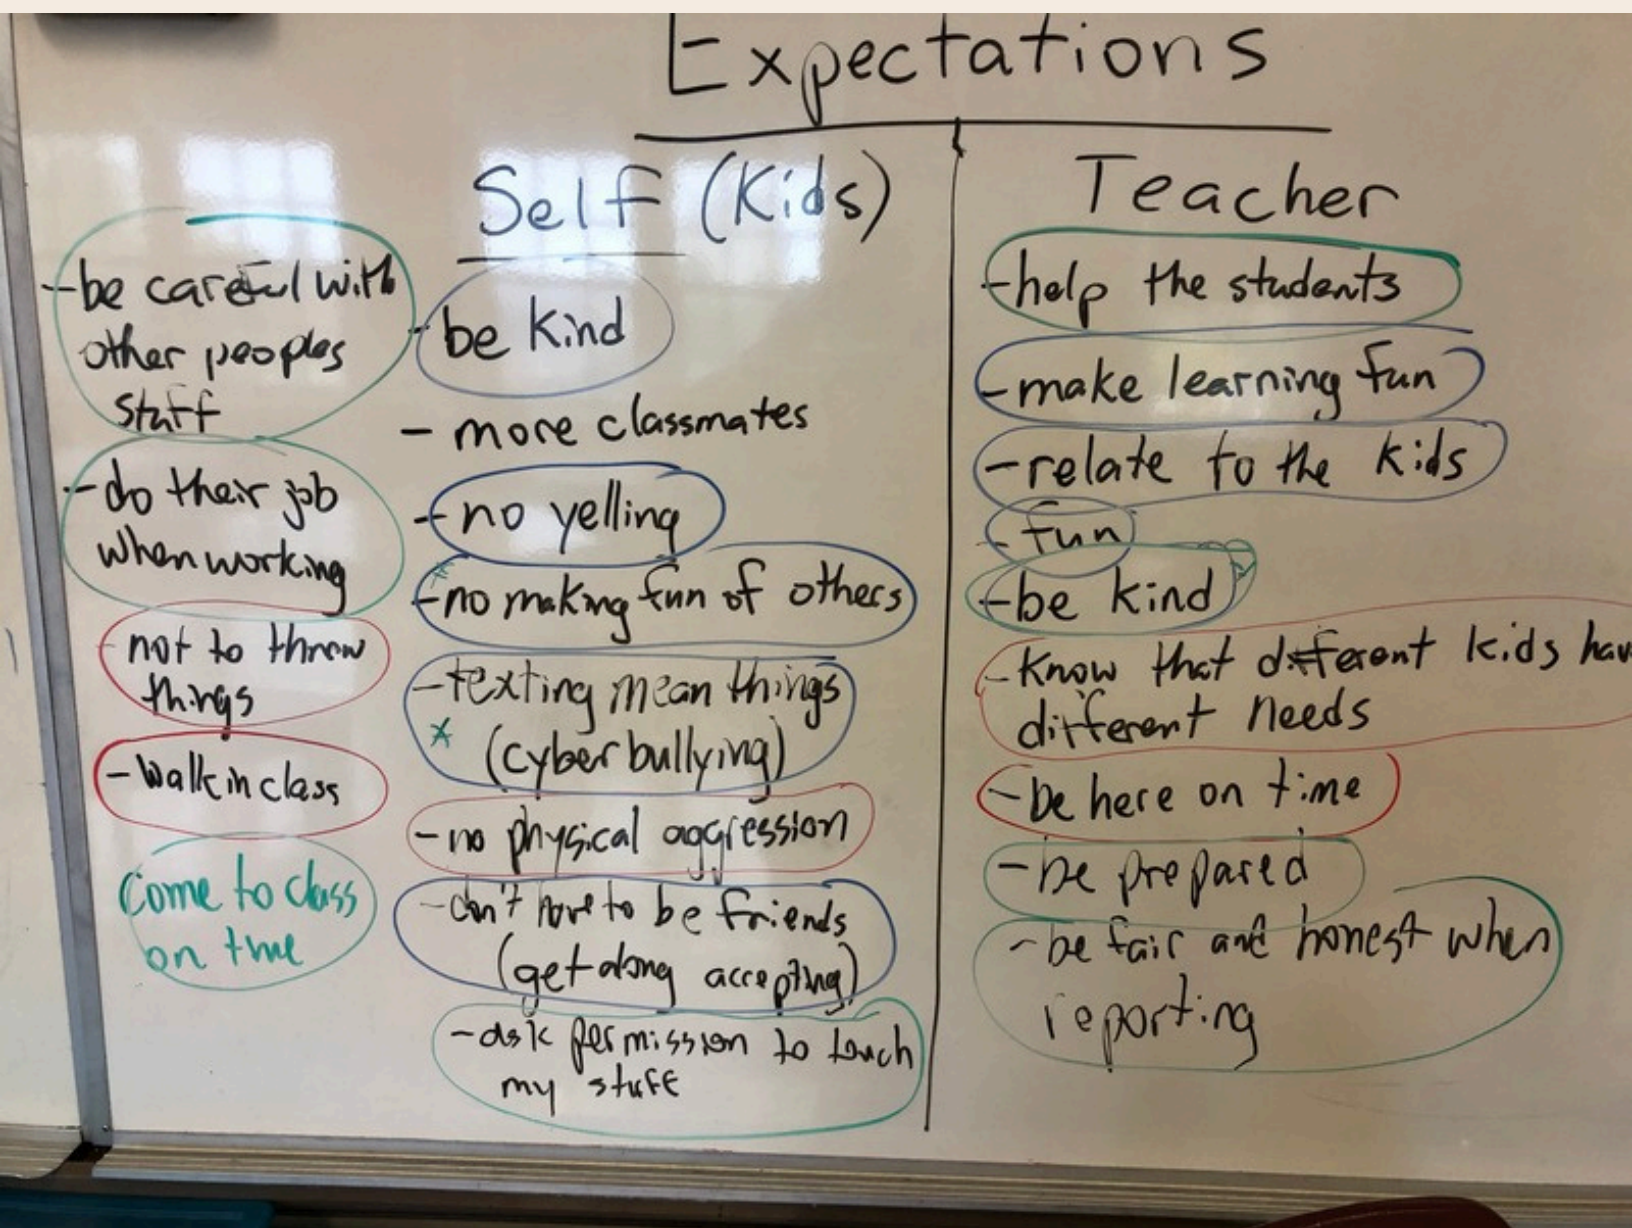

In Science classes we are studying the Moon. Students have brainstormed lots of information that they already know about the Moon. We are currently observing the pattern of the 8 phases of the moon.

The Moon - 23

- the Moon moves
- drifting from Earth
- gravity is different than on Earth (less)
(holds you down) instead of drifting away
- people have been there
- faces on the moon
- phases of the moon
 - Full ○ (crescent
 - half ○ gibbeaus
 - new
- different colours
- always there
- important to Earth
- orbits in an oval ○
- no air/atmosphere
- its round (spher
- seen at night and in the day
- reflects sunlight
- made up of metals and rocks
- moon dust
- no wind
- no water
- no plants or animals

TUSC stands for Totally Unique Speakers Club and supports ELA in the form of researching and giving opportunities for students to practice public speaking skills. Our first meeting was held at the end of September. We will hold meetings every 2-3 weeks depending on the school schedule.

Every classroom has created their own Treaty. Room 23 has brainstormed what expectations they have for themselves and for their teachers. This information was used to create our own treaty we plan to follow for the year.

Chess Club 2024-25

Chess Club for grade 4-6 students will be happening again this year but will be held in the library! Thank you, Mrs. Muehling for giving us this space. Chess Club will begin in October and run on most Wednesdays at lunch time. We will end the week before spring break in March. Lunch will be eaten in the library with some restrictions: No citrus foods and no nuts of any kind. An information slip will go home with students who are interested in playing or wanting to learn about chess.

Kookum's Corner with Pam Richard

Hi there friends and family of Faraday School ...

My name is Pam Richard, and this is my second year here.

A little bit about myself...

I am a certified Educational Assistant, Health Care Aide, as well as a Family support worker, but what I am most proud of is I am a long-time community member whose children came to this school and currently where a few of my grandchildren attend.

I am a Metis Elder, and when I was passed tobacco and asked if I would be grandmother/kookum this year, of course I couldn't pass up this wonderful opportunity and I love a challenge and yet again my roll would come naturally.

My goal for this year is to get parents and families in our community and into the school to join myself and other parents for an afternoon of fun learning about our culture with conversation, crafts, teachings, and give aways and coffee which is just the start of a Respectful, Responsible, and Safe way of learning. To get to know our community members and collaborate with all our interests for the rest of the year ahead... A circle of many joined together become 1

Please see October calendar as follows -Meegwetch

KOOKUMS CORNER WITH PAM RICHARD

PARENTS WANTED PARENTS WELCOME

Parents and guardians and elders as well

New and exciting news not just for parents and guardians but our elders as well.

As October is approaching Kookums Corner will be starting October 1,2024 with all programs in the afternoon. All programming will start at 2p.m. and finish between 3 to 3:15p.m. Stay tuned for November 2024 calendar coming out soon.

Dates and locations will be as follows:

Week 1

| | | | |
|---|---------------|------------------------------|------------|
| 1st Medicine Teaching Cedar | -Tues | Oct 1,2024 2-3:15p.m. | Rm3 |
| Buffalo Bingo | -Thurs | Oct 3,2024 2-3:15p.m. | Rm4 |
| Helping Harvest | -Fri | Oct 4,2024 2-3p.m. | Rm4 |

Week 2

| | | | |
|--------------------------------------|---------------|------------------------------|------------|
| 1st Sharing Circle | -Tues | Oct 8,2024 2-3:15p.m. | Rm3 |
| Drop by say Hi | -Wed | Oct 9,2024 2-3p.m. | Rm4 |
| Coffee and Conversation | -Thurs | Oct 10,2024 2-3p.m. | Rm4 |

Continued Kookums Corner

Week 3

| | | | |
|-------------------------------|--------|------------------------|-----|
| Medicine Teaching Sage | -Tues | Oct 15,2024 2-3:15p.m. | Rm3 |
| Bake and Take Bannock | -Thurs | Oct 17,2024 2-3:15p.m. | Rm4 |
| Helpful Harvest | -Fri | Oct 18,2024 2-3p.m. | Rm4 |

Week 4

| | | | |
|--------------------------------------|--------|------------------------|------|
| Drop by and say hi | -Mon | Oct 21,2024 2-3 p.m. | Rm4 |
| 2nd Sharing Circle | -Tues | Oct 22,2024 2-3:15p.m. | Rm3 |
| Drop by and say hi | -Thurs | Oct 24,2024 2-3p.m. | Rm 4 |

Week 5

Medicine Teaching

| | | | |
|-----------------------------|--------|------------------------|------|
| Tobacco | -Tues | Oct 29,2024 2-3:15p.m | .Rm4 |
| Halloween Spook Mask | -Thurs | Oct 31,2024 2-3:15p.m. | Rm4 |
