## OCTOBER-2025

PRINCIPAL'S MESSAGE –

WE ARE STRONGER TOGETHER.

“IT TAKES A VILLAGE TO RAISE A CHILD”.

~ PROVERB Hello

Faraday Families!

September flew and now we are in October! What a fantastic and energizing start to the school year it was. We welcomed many returning students, and their families back and welcomed many new students and their caregivers to our Faraday School family. Our meet the staff event on Sept.11th was a huge success. Thank ~~you~~ for coming and helping us kick start the school year off right!

Learning is the focus each day at Faraday. Students are engaged in purposeful and meaningful learning that connects to self, their communities and the world in which they live in. This year we are continuing to focus on the themes of belonging ad identity and working hard to help students know who they are, why they are here, where they came from, where they want to go with their learning and helping ~~them~~ celebrate and share their gifts with each other. We are using Murray Sinclair's 4 guiding questions to help us in this important work. Murray refers to these guiding questions as “the important questions we all must answer for our societies to function properly together”.

Our school Kokum, Pam is back with us this year working alongside classrooms in powerful learning with Indigenous perspectives. She is also working with our parents to continue building strong relationships with home and school. Please watch her schedule for her coffee and conversation times here at the school.

Our food coordinator Lisa is busy every day preparing nutritious breakfasts and snacks for our entire student body. We are so grateful for this support and funding and know that this important piece helps students be their best and prepare for learning.

We have created a nice little nook as you walk into the doors on the main hallway by the office. Feel free to come inside and sit and wait on the couch or chairs while you pick up your children or wait for a meeting you might have with one of our staff members. We hope you like the cozy and colorful vibes!

We strive to keep the lines of communication open with all our families and always want to work alongside you for the betterment of your child(ren). Please reach out if you have any questions or concerns. We are here and want to help.

On behalf of the entire Faraday School team, we wish you a healthy and happy October.

Take care, Mrs. Cox & Mrs. Thomas

### NOVEMBER DATES TO REMEMBER

# Gym News

**Grade 5/6 Faraday Soccer teams practiced hard in September and played awesome in their Northwest Division soccer tournament at Tyndall Park School.**

**Todd Mac b-ball continues in November with Mr. Juan and Mr. Honer coaching the fundamentals of basketball.**

**Grade 4,5 and 6 lunchtime handball continues during the lunchtime hours. Please check daily handball schedule.**

**Mr. Juan**

Here in room 23!

Hello I'm  
**Mr. Antymis**

### CHESS CLUB

HAS STARTED FOR  
GRADES 4-6 STUDENTS.  
BEGINNERS WELCOME!

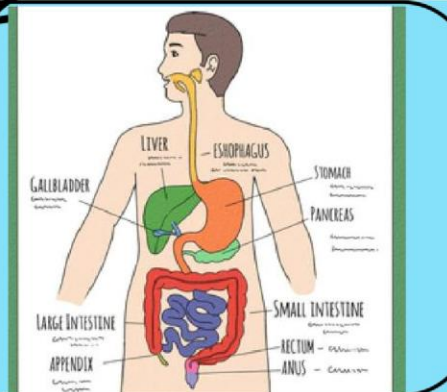

### MATHEMATICS

We are learning about increasing and decreasing patterns and extending them.

### SCIENCE

We are learning about human body systems with our first system being the digestive system. The purpose, vocabulary and what we can do for our bodies to help keep them healthy.

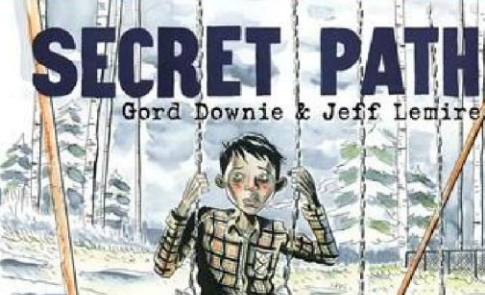

### PATROLS

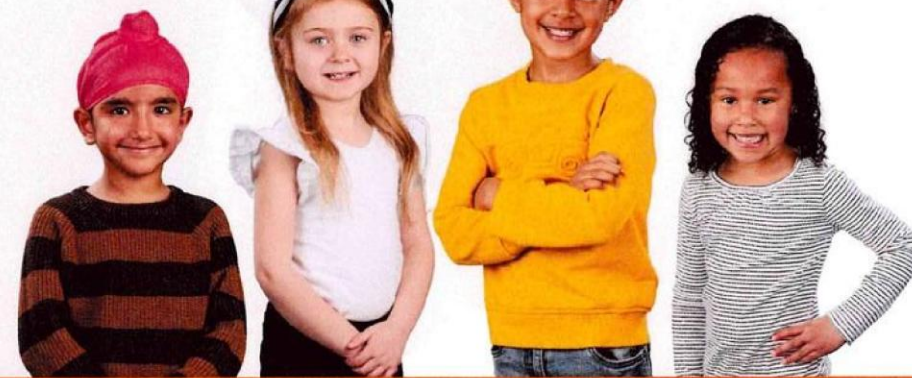

Our 2025-26 team has been trained and working on two shifts. Morning and Afternoon.

### Truth and Reconciliation
