GLOBAL WAYS OF LIFE

PROJECT BASED LEARNING

- Student ideas, gifts and questions guide learning
- Connected to curricular outcomes
- Research, planning, brainstorming and questioning skills are highlighted
- Hands-on, independent and collaborative opportunities to design projects that answer questions and deepen learning, engagement and skills
- Assessment is co-designed by students, peers and teachers

ENGLISH

Students will build a sense of self, identity, community and the world.

Students will practice:

- Formulating "deep" questions
- Creative writing
- Writing in response to Fiction & Non-Fiction text
- Communicating ideas through non-traditional formats
- Research skills
- Self & peer assessment
- Goal setting
