

Gordon Bell Pre-Registration Process: 2023 – 2024 Students entering Grade 10

This is a checklist for **GRADE 9 Students applying for Grade 10 classes** in **2023 - 2024**.

Please discuss the following points with your parent(s) / guardian(s):

- ☐ Prior to selecting your courses, we strongly encourage you to go to the Gordon Bell High School webpage <https://www.winnipegsd.ca/schools/GordonBell> to consult the following resources: (all found under the Student Resources → Pre-Registration Planning tabs)
 - **Graduation Requirements:** Learn how many credits are required and which specific courses are needed for graduation.
 - **Student Handbook:** Read descriptions of all courses offered at Gordon Bell to get a better understanding of what a course is about.
 - **Math Info. Sheet:** Consult to help you figure out which Math stream is best for you.
 - **English Info. Sheet:** English Comp is compulsory. You may also wish to take English Lit or Trans as an option.
 - **Post-Secondary Requirements:** University and college programs often have pre-requisites, require a minimum number of 40S classes, and may require you to take a specific Math (i.e. Pre-Cal) or Science course (i.e. Biology, Chemistry, and Physics). When selecting elective courses, we strongly recommend you consult this document first.

- ☐ Use the chart on the back of this page to select the courses you wish to register for.

The courses that have prerequisites are indicated by a double asterisk (**).

Please ensure these prerequisites have been met before registering in a course.

Note that you will be required to sign up for:

Compulsory (Mandatory) Courses: See “Graduation Requirements” sheet on the website.

Elective (Option) Courses: Select up to five courses and rank them in order of preference, with 1 being the one you want the most.

- ☐ It can also be helpful to speak with teachers, your counsellor or Career Intern to help plan the best possible educational path. Please follow-up with them as needed.
- ☐ Bring your completed form with you when you pre-register here at school, as it will make it easier for you to fill out your online application.

Parent(s) / Guardian(s):

Your son / daughter will be registering on-line for next year’s courses between Tuesday, February 28th and Friday, March 3rd. The purpose of this sheet is to help your son / daughter plan their course selections for the 2023-2024 school year. Please follow the steps above, and discuss with your son/daughter their course selections.

Your son / daughter is to have this sheet with them when they pre-register.

Upon registering students will receive a printed copy of course requests that they will be bringing home to have signed by you. Please use a pen to indicate any changes to address, phone number, etc.

We ask that the pre-registration forms be returned to the main office no later than Friday, March 10rd.

Please sign indicating you have reviewed and approve of the course selections made on the back of this sheet:

WINNIPEG SCHOOL DIVISION LIVE STREAMING STUDENT PERMISSION FORM

In the Winnipeg School Division, Live Streaming refers to the broadcasting of live lessons in real time where students are present in the classroom as well as students learning from home.

Through this model teachers will be providing live streaming experiences both in real time or through a recording, which may be posted on the learning platform for other students to view.

Due to the special nature of live streaming activities, parents/guardians must consent to their child being photographed, videotaped, or recorded as part of the classroom learning activities. During live streaming lessons the webcam in your home should be positioned in such a way that it only captures your child's image when they are participating in the live streaming lesson.

I give my child permission, during this school year, to participate in live streaming activities on platforms such as Seesaw, Google Suite/Meets, and Microsoft Office 365/Teams to address curricular outcomes. In addition, I give permission for my child's voice and image to be transmitted and viewed for the purpose of learning activities in the classroom and home environment.

I do not give my child permission, during this school year, to participate in live streaming activities .
